As the only family run operation of our type, we offer customers financial safety, reliability and a unique holiday experience. We are a 100% financially-protected, independent travel company and are licensed by the Civil Aviation Authority, conforming to the bonding requirements of ABTA. All our air holidays and all the flights in this brochure are ATOL Protected by the Civil Aviation Authority.

AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. We have recently been recognised by the travel industry at the Travel Bulletin Star Awards Ceremony with the fantastic achievement of "Leading Independent Tour Operator to the Mediterranean 2015" making us consecutive winners, having won the award in 2012, 2013 and 2014. In 2017, we were again rewarded with the great honour of the "Leading Tour Operator for Family Holidays" award.

WE ARE NOW AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, Cyplon Holidays can meet your requirements - and we offer every Regional Airport flying to Cyprus & Greece. Pre-booked upgrade services are also available and we can even arrange an airport lounge-pass for you if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservation Staff.

CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad - Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

PRIVATE TRANSFERS

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. Note: Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, please note, it is within our right to deem a price of our competitor "not sensible", e.g: a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than its costs.

FLUID PRICING AND USING THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. In this way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for **guideline purposes only**. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk.

HOLIDAYS byDESIGN

As pioneers of “Tailor made” holidays, Cyplon Holidays can claim with some pride to have been tailoring holidays before the term was even coined by the travel industry. Our byDESIGN concept aims not only to celebrate the beauty of individuality when selecting a holiday but also to combat the growing trend of mass market holidays.

FINDING THE PERFECT FIT

We strive to match you with the perfect resort. Use our holiday type descriptions to reflect on which holiday concept suits you best. All the hotels in this brochure list the concepts for which they fulfil – making your holiday selection easier and less stressful.

NO RESTRICTIONS

Cyplon Holidays will not restrict you unlike some other big travel operators. byDESIGN not only allows you a great deal of flexibility when choosing your destination but we allow you to travel on **ANY** date, **ANY** day, **ANY** airline, from **ANY** airport, for **ANY** duration. We also allow you to fine-tune smaller details of your travel such as VIP lounge passes and even in-flight meals etc.

SUPREME LUXURY HOLIDAYS

For our more discerning customers who are looking for a little indulgence, these hotels will guarantee that extra special luxury holiday, where quality accommodation, top class service and fine dining are the most important factors.

ADULT ONLY HOLIDAYS

Relax in tranquillity – special properties for those travellers looking to enjoy a more intimate ambience. Perfect for those who are looking to spend some quality time with their partners and without all the hustle and bustle.

ALL INCLUSIVE HOLIDAYS

Our all inclusive holidays offer a fantastic way to efficiently plan and budget a trip, especially for those with larger families or groups. We have selected properties that offer a fabulous array of dining opportunities as well as top-notch recreational facilities and grounds so that you get the most out of your all inclusive getaway.

BEACH HOLIDAYS

Want the sun, sea and sand? Are sunbathing and relaxation your key ingredients? Look no further than our beach holidays. These hotels will be in close proximity to the wonderful ocean shore if not right next to it – Paradise!

BOUTIQUE HOLIDAYS

Looking for something luxurious, intimate and perhaps a bit quirky and different? Try one of our beautiful boutique hotels.

CITY BREAK HOLIDAYS

Looking for a hotel in the heart of town? Try one of our City break hotels for convenience and a bit of cosmopolitan style.

FAMILY HOLIDAYS

Spending quality time with the family is one of the most important things in life & something that Cyplon Holidays places great emphasis on. We have cherry-picked the hotels that will provide you with the most suitable environment for some special bonding time. Not forgetting a hotel that allows the kids to play & have fun in an exciting, yet safe, environment.

GOLF HOLIDAYS

Whether you're a veteran player or just looking to start up with some lessons, our Golf Resorts will no doubt leave you breathless with their stunning scenic courses. What better way to enjoy the game you love in one of these fine resorts with the sunshine making the hole-in-ones all the more special?

ROMANTIC HOLIDAYS

Looking for spectacular scenery, sumptuous dining and that extra je ne sais quoi? These hotels will help you find that connection with a loved one. Whilst not necessarily an adult-only environment, these hotels will often have a separate adults pool area. Failing that, then at the very least it will have all the other necessary ingredients to make your heart flutter.

SELF CATERING AND VILLA HOLIDAYS

If you are looking for that little bit more privacy then we thoroughly recommend staying in a magnificent holiday villa or self-catering apartment. Take advantage of the local produce and become a master chef abroad!

SPA HOLIDAYS

Gorgeous hotels, with fantastic spa or health facilities – what more could you want from the ultimate luxury holiday? Book specialist treatments and enjoy relaxing massages. Rest your mind, body and soul on holiday and come home refreshed and revitalised.

TAILOR-MADE ISLAND HOPPING

EXPLORE THE MAGIC OF THE GREEK ISLANDS

There are very few experiences in the world quite like 'hopping' around the Greek islands. Whilst the Greek islands share some general characteristics, each island has its own character, its own individuality, its own soul. With so many islands to choose from however, the possibilities with Greek island hopping are endless and simply knowing where to begin can be a nightmare. Here at Cyplon Holidays, we have the experience and expertise to make your island hopping experience as seamless and as enjoyable as possible, tailoring your journey to your exact wants and needs. On page 12 you will find a few of our favourite islands, which can be combined with any of the resorts in Greece that are featured in this brochure, and are well worth a look.

CYCLADES ISLANDS

The 'Cyclades Islands' are located south-east of mainland Greece. The name of the island group refers to the islands that 'circle' the sacred island of Delos. Whilst Mykonos and Santorini are by far the most popular islands within this group, the lesser known islands should not be ignored. Most of the Cycladic islands are peaks of mountainous land, now submerged under the Aegean Sea and the islands of Santorini and Milos are volcanic islands. Given the islands' geology, most if the islands' terrain can be hilly and therefore offer some incredible panoramic vistas. You can fly directly to Mykonos or Santorini where there are excellent connections to the other islands. Alternatively, from Athens there are internal flight-connections to the islands of Milos, Syros, Mykonos and Santorini.

DODECANESE ISLANDS

The 'Dodecanese Islands' are situated in the south-easternmost region of the Aegean Sea. The most well known and popular islands within this group include Rhodes, Kos, Patmos and Leros, with Kalymnos, Symi and Astypalea offering wonderful island hopping opportunities on quieter islands. Given the islands' proximity to Turkey, there is a history of Ottoman and Turkish and even Roman rule, with influences from this rich history clearly evident on the islands today. The most convenient way to explore the Dodecanese islands is to fly to Rhodes or Kos where you will be able to visit the other islands by ferry.

IONIAN ISLANDS

Unlike most of Greece's islands, the 'Ionian Islands' are located to the west of mainland Greece. As the Ionian islands do not offer regular ferry services between each other & as well as being inaccessible to Greece's other islands by ferry, they are not known for island hopping, despite these islands being very popular in their own right. To explore the Ionian islands, it is best to fly to Corfu, Zakynthos or Kefalonia. There are fewer ferry links to the other Ionian islands with many routes being indirect.

(ARGO) SARONIC ISLANDS

The Saronic Islands, sometimes referred to as the Argo-Saronic Islands, are named after the Saronic Gulf and Argolic Gulf, both of which are formed by mainland Greece, in which the islands are situated. The most popular island is Aegina while the island of Hydra is famed for its no motor vehicle policy and its beauty is famous for attracting and inspiring artists and poets. Given the islands' proximities and convenience to the mainland and one of Athens' main port, Piraeus, these islands are popular with holidaymakers staying on the mainland as well as mainland locals. Daily ferries from Athens make visiting the Saronic islands very easy.

DISCOVER SOME OF GREECE'S BEST HIDDEN GEMS

AMORGOS ISLAND

This easternmost island of the Cyclades Islands is only 30km end to end but reaches over 800m at its highest point, resulting in a spectacular landscape. Tourism to Amorgos focuses more on archaeology and activities such as hiking and rock climbing rather than beach-going, although there are beaches here too. The three main towns are Hora, Katapola and Aegiali.

ASTYPALAIA ISLAND

If you're an "off the beaten path" kind of traveller, you may find yourself falling head over heels for this quiet little island. As a part of the Dodecanese Island group, Astypalaia Island has just over 1,300 inhabitants; a travel destination that is truly under the radar even for some of the most regular Greece holidaymakers. It's a place to find a little peace and quiet and some undisturbed romance.

KALYMNOS ISLAND

Set between the islands of Kos & Leros, Kalymnos is populated by around 16,000 people & is considered to be one of the wealthiest Greek islands. Kalymnos is famous for its citrus fruits & is particularly well known for rock climbing & sponge diving. The best beach on the island is called Brosta & it should be noted that some beaches cannot be reached by road, only by boat.

LESVOS ISLAND

Lesvos is the third largest of the Greek Islands and Mytilini is its dazzling capital and one of the most ancient Greek cities, boasting a mix of ancient monuments, neoclassical architecture, Byzantine temples and baroque church buildings. If it's your first time on Lesvos Island, be sure to try the food and drink specialities such as their locally produced olive oils and their ever-popular Ouzo.

MILOS ISLAND

The beautiful island of Milos may not be as popular or as well known as its sister islands, Santorini and Mykonos, but that is all a part of its beauty. Milos is a secret gem within a sea of popular destinations and it's filled with charming little secrets that haven't been unravelled by mainstream tourism just yet.

SAMOS ISLAND

In the North Aegean Sea is the seductive island of Samos. This gorgeous island offers a varied landscape of beaches, countryside, mountains and wetland; a truly diverse and interesting place for those who love nature. Visit one of the island's many vineyards to taste the famous local Samiotiko wine or go hiking to the top of Kerkis Volcano.

SIFNOS ISLAND

Sifnos is located between the Serifos and Milos islands within the Cyclades cluster. It offers one of the dreamiest island landscapes and as a small island, it's a quiet retreat almost all year round. Don't miss the capital Apollonia for great food and wine, the hilltop town of Kastro for a great scenic drive, and the fishing village of Heronissos.

SYROS ISLAND

Syros is a part of the Cyclades in the beautiful Aegean Sea – & it's the perfect blend of old & new, traditional & contemporary. Bringing together the classic beauty of traditional stone architecture & the island's countless churches & cathedrals together with a chic island culture & modern tourism, Syros is bursting with life & culture.

INTRODUCING AYIA NAPA

What was once a small fishing harbour surrounded by a few houses has fast become a popular resort, particularly with families and young people. Ayia Napa's shimmering clear blue waters and white sandy beaches provide an exceptional setting for beach lovers and the resort offers plenty of exciting activities for families. The town centre is a late-night draw for young clubbers and it can get rather lively. However, most Ayia Napa properties we offer in our brochure are situated well away from all the revelry and offer a relaxing holiday environment to those who desire it.

WELCOME TO GREECE

Greece is a classic destination in every sense of the word. Classic in that its history, civilisation and mythology date back thousands of years with Greece being able to offer some of the world's most historically important sites. Classic in that Greece's views and imagery are renowned the world over, in particular the Cycladic white and blue architecture of the islands and the famous blazing orange sunsets. Classic in that the warmth and kindness you will receive from the locals is second to none and is akin to the hospitality of a bygone era.

FAMILY ACTIVITIES

Greece has traditionally been, and still is, an ideal place to go on a family holiday. Here you will find everything that you and your family will need for that special time away together, including fantastic sandy beaches, quality hotels offering All Inclusive packages, many dedicated and quality kids clubs and facilities in the hotels, incredible historical sites that will invigorate your children's minds about ancient history and the wondrous Greek mythology. Most importantly this is all in a country where your family can feel safe and secure. Check out Cyplon's 'Family Treats' section of the 'Added Value' panel for some great children and single parent offers.

GREEK CUISINE

Greek food shares much in common with cuisines from around the Mediterranean and also from the Middle East. Greece is blessed with some exceptional natural produce, including olives and olive oil, vegetables and herbs, cheeses and yoghurt, and the cuisine reflects this, relying on quality and natural products. Greek cuisine incorporates a wide variety of meats, fresh fish and vegetables so people with all types of eating requirements will be satisfied. A must try is a typical Greek 'Souvlaki' and 'Gyros', grilled meat wrapped in pita bread, 'Stifado' which is a meat stew, and freshly caught fish.

DRINK

Being able to grow some of the world's best grapes allows Greece to produce some exceptional wines and they have been doing so for thousands of years, although the rest of the world has not quite yet discovered the quality of Greek wines. Other traditional alcoholic beverages native to Greece are 'Ouzo', an aniseed flavour aperitif that is often added to water, 'Retsina', a white wine with a truly distinct taste and 'Tsipouro', a spirit made from grape skins that is not for the faint hearted.

WEATHER IN GREECE

The weather in Greece is typically Mediterranean - that is very hot and dry between April and September - Sunshine is almost never broken and it is extremely rare to see any rain during peak summer months. On the islands and coastal regions of the mainland, temperatures during July and August regularly reach 30°C and peak in the mid-30's. The "Meltemi" winds, sea breezes that will help cool you on these hot days, are a feature of the Greek islands and coastal regions due to its topography. Either side of July and August, temperatures are milder but still warm, averaging in the mid-20's. Mainland Greece, less influenced by the cooling winds, can be hotter during the summer months when temperatures can reach 40°C.

INTRODUCING SANTORINI

Santorini is famous for its breathtakingly spectacular views, particularly at sunset & the stunning, much-photographed, architecture of small traditional Cycladic white washed buildings & cobbled streets, together with its many chapels. The island's capital, Thira, sits amidst this scenic beauty where small hotels & restaurants spill over the edge of the Caldera. Here one can enjoy a cable car ride all the way to the bottom of the now extinct volcano & back again. To the south east of the island are the seaside resorts of Kamari & Perissa. Both have very long stretches of fine volcanic-sandy beaches, water-sports & lively bars & tavernas right along the strip.

The island is famed for its stunning neoclassical Church of Panagia Evangelistria, as well as having many painters and sculptors who hail from the island.

NAXOS ISLAND

As a neighbour to Mykonos, Naxos Island is the quieter alternative. For those who like a serving of off-the-beaten path adventure and secluded beaches with their night life, Naxos proves to be the perfect compromise. As the greenest island in the Cyclades, Naxos is also perfect for those who love the outdoors.

PAROS ISLAND

If you're looking for the perfect Greek island to spend a week or so, Paros is a fine choice. One which has become hugely popular with frequent travellers to Greece. The main villages on the island are Naoussa and Parikia, where you'll find some fantastic communities who open their arms to tourists throughout the year.

Many Andros visitors like to hire out a car so they can fully immerse themselves in the island's natural beauty and get out to the best hidden footpaths and trails.

LEROS ISLAND

Leros Island is a wonderfully traditional island; it's one of those places where you'll feel like you've stepped back in time the moment that you arrive. From the whitewashed walls which paint the landscape of its many villages to the orthodox buildings that poke out from the hills, Leros Island is charming in every way.

THASSOS ISLAND

Thassos is known as the "Emerald Island" due to its lush vegetation and forests. It is an island which has very much remained traditional and authentic, and you can even visit the Roman amphitheatre and an acropolis in Thassos Town. Visitors to Thassos can also enjoy the 2km long "Golden Beach" with its flawless sands.

TERMS & CONDITIONS

Your contractual agreement is with Cyplon Travel Limited. It has been structured, in the interest of fair trading, to safeguard your holiday arrangements.

1. YOUR HOLIDAY CONTRACT

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our confirmation invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts.

2. YOUR FINANCIAL PROTECTION

We provide full financial protection for our package holidays, by way of our Air Travel Organiser's Licence number 0891. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency. The Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

3. ABTA

We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

4. YOUR HOLIDAY PRICE

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (i.e. our prices may change second by second to reflect ever changing airfares, hotel rates etc.) Therefore, our prices will be more accurate. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed.

When you make a booking you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise and it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit. Changes in transportation costs, including the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However there will be no change within 30 days of your departure.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

When you buy a flight-based holiday, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes, provided they refer to the same holiday season, but this may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

NOTE: Certain travel arrangements (e.g. Apex Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements.

6. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent on your behalf must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay the cancellation charges shown below.

NOTE: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

CANCELLATION CHARGES	Amount Payable
Written Notification Period Prior to Departure	
MORE THAN 70 DAYS DEPOSIT ONLY	30% of holiday cost or deposit if greater
70-57 DAYS	50% "
56 - 29 DAYS	70% "
28 - 15 DAYS	90% "
14 - 8 DAYS	100% of holiday cost
7 DAYS OR LESS	

The above charges may differ for group bookings as well as special promotional offers and you will be advised at time of booking.

7. IF WE CHANGE OR CANCEL YOUR HOLIDAY

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. **Changes** - If we make a major change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid. In some cases we will also pay compensation (see below). These options don't apply for minor changes. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change. **Cancellation** - We will not cancel your travel arrangements less than 10 weeks before your departure date, except for reasons of **force majeure** or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., the minimum number of clients required for a particular travel arrangement is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). In some cases we will pay compensation. **Compensation** - If we cancel or make a major change we will pay compensation as detailed below except where the major change or cancellation arises due to reasons of **force majeure**. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

If we cancel or make a major change to your holiday Period before departure Amount you will receive we notify you from us

MORE THAN (70) DAYS	NIL	£5	£10	£15	£20	£25
(70 - 57) days						
(56 - 29) days						
(28 - 15) days						
(14 - 8) days						
7 days or less						

Force Majeure We will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport.

8. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our resort representative immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by sending an e-mail to our Customer Services Department at sales@cyplon.co.uk, giving your booking reference and all other relevant information. Please keep your letter concise and to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Please also see clause 3 above on ABTA.

9. OUR LIABILITY TO YOU

If the contract we have with you is not performed or is improperly performed by us or our suppliers we will pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However we will not be liable where any failure in the performance of the contract is due to you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and

b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.

You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at Cyplon Holidays, Cyplon House, 561-563 Green Lanes, London N8 0RL, telephone 020 8340 7612. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in clause 7. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount.

NB this clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

10. PROMPT ASSISTANCE IN RESORT

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

11. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS

Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

12. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

13. DATA PROTECTION STATEMENT

Please be assured that we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs or immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies. If you travel outside the European Economic Area, controls on data protection may not be as strong as the legal requirements in this country. We will only pass your information on to persons responsible for your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.)

14. PASSENGER CONDUCT

We reserve the right to refuse to accept you as a customer, or to continue dealing with you if your behaviour is disruptive or affects other holidaymakers, or is threatening or abusive towards our staff or agents in the UK or in resort, on the telephone, in writing or in person. In such circumstances no refunds or compensation will be paid to you. Civil or criminal proceedings may be instigated.

15. GENERAL HOLIDAY INFORMATION

The General Holiday Information detailed on the next page, forms part of our terms and conditions and must be read carefully before you book.

FLIGHT TABLE & CAR HIRE

Wherever you are based, with Cyplon Holidays you will be offered a great deal of flexibility when arranging your travel plans. Apart from the below we can offer you flights from any regional airports to connect with any of these flights. All flight information may be subject to change as airlines may change their flight schedules without notice. Most airlines now demand that tickets are issued at the time of reservation being made, in which case the deposit will be increased accordingly and you will be advised of this at the time of booking.
