AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. We have recently been recognised once again by the industry at the Travel Bulletin Star Awards Ceremony with the fantastic achievement of "Leading Independent Tour Operator to the Mediterranean 2015" making us consecutive winners, having won the award in 2012, 2013 and 2014.

WE ARE NOW AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, Cyplon Holidays can meet your requirements - and we offer every Regional Airport flying to Croatia. Pre-booked upgrade services are also available and we can even arrange an airport lounge-pass for you if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservation Staff.

CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad - Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

PRIVATE TRANSFERS

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. Note: Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, please note, it is within our right to deem a price of our competitor "not sensible", e.g. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than its costs.

FLUID PRICING AND USING THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. In this way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our reservations team on 020 8340 7612, or visit our website www.cyplon.co.uk.

HOLIDAYS byDESIGN

As pioneers of "Tailor made" holidays, Cyplon Holidays can claim with some pride to have been tailoring holidays before the term was even coined by the travel industry. FINDING THE PERFECT FIT

We strive to match you with the perfect resort. Use our holiday type descriptions to reflect on which holiday concept suits you best. All the hotels in this brochure list the concepts for which they fulfil – making your holiday selection easier and less stressful.

NO RESTRICTIONS

Cyplon Holidays will not restrict you unlike some other big travel operators. byDESIGN not only allows you a great deal of flexibility when choosing your destination but we allow you to travel on ANY date, ANY day, ANY airline, from ANY airport, for ANY duration. We also allow you to fine-tune smaller details of your travel such as VIP lounge passes and even in-flight meals etc.

Spending quality time with the family is one of the most important things in life & something that Cyplon Holidays places great emphasis on. We have cherry-picked the hotels that will provide you with the most suitable environment for some special bonding time. Not forgetting a hotel that allows the kids to play & have fun in an exciting, yet safe, environment.

ROMANTIC HOLIDAYS

Looking for spectacular scenery, sumptuous dining and that extra je ne sais quoi? These hotels will help you find that connection with a loved one. Whilst not necessarily an adult-only environment, these hotels will often have a separate adults pool area. Failing that, then at the very least it will have all the other necessary ingredients to make your heart flutter.

SELF CATERING AND VILLA HOLIDAYS

If you are looking for that little bit more privacy then we thoroughly recommend staying in a magnificent holiday villa or self-catering apartment. Take advantage of the local produce and become a master chef abroad!

TAILORMADE HOLIDAYS IN CROATIA

ADRIATIC CRUISES | ISLAND HOPPING | GUIDED TOURS | MULTI-CENTRES

Croatia is an incredible country to visit with an vast amount of natural beauty, history and culture to take in. However, with literally hundreds of islands and a complex schedule of ferries connecting them as well as 8 main airports in the country, it can be said that Croatia is not the easiest destination to navigate around. As 'Tailor-Made Specialists', we pride ourselves on having the expert knowledge and experience to make your trip to Croatia as easy and fulfilling as possible. Whilst we are more than happy to provide you with a standard, single destination package holiday at great prices, we can truly add value for your tailor-made holiday, whatever it may be.

CRUISE AND STAY

Adriatic cruises are an extremely popular way of seeing all of Croatia's main islands. Cyplon Holidays offers a variety of hand-picked cruise itineraries with all of the cruise ships having no more than 19 cabins, resulting in a peaceful and private cruise, whereby passengers will receive an intimate experience of the Adriatic Sea and the islands being visited. A stay can easily be added before or after your cruise. For a selection of our cruises please see pages 10-15.

ISLAND HOPPING

Island hopping is another popular way of getting round Croatia and experiencing as much as possible, and unlike with a cruise, you can choose to stay in a particular place for as long or as short as you wish. With so many islands to choose from, we have attempted to make life a little easier by offering a selection of set island hopping itineraries, however we are more than happy to tailor-make an itinerary for you from scratch based on your exact wishes. For a selection of our set island hopping itineraries please see pages 16-17.

GUIDED TOURS

Sometimes the best way to explore a country and get to fully understand the finer points that not many people get to see or know is by taking a guided tour. With our guided tours, you will visit parts of Croatia and its neighbouring countries that you never knew existed and will be surprised and amazed by the region's hidden gems. As with all of our holidays we offer flexibility and a stay can be added before or after your tour. For a selection of our guided tour itineraries please see pages 18-21.

CROATIA AND MONTENEGRO MULTI-CENTRES

In recent years Croatia's popularity as a tourist destination has risen dramatically and the country and everything it has to offer has become well known. However Croatia's neighbour, Montenegro, remains relatively undiscovered. However this will not last for long as Montenegro offers outstanding natural beauty and first class hotels that are just waiting to be discovered. That is why we are offering a small programme to Montenegro which can also be twinned with Croatia for a truly unforgettable twin-centre holiday. For more information and a selection of our hotels in Montenegro please see pages 74-80.

BRAČ ISLAND

If you're looking for stunning beaches, make Brač your first stop. The famous Zlatni Rat Beach is the island's most visited natural landmark; and you can't miss it as you pull up to Brač Island on the boat as it's a long thin triangle which sticks out into the bright blue sea.

HVAR ISLAND

Hvar is the liveliest of all the islands. It's well known for its music festivals and its stylish party atmosphere. With over 20,000 people visiting per day during the hot summer months, the island will never be lacking in vibrancy and diversity. Bars and clubs line the waterfront, offering some super stylish venues for holidaymakers to party in until the sun comes up.

KORČULA ISLAND

As one of the largest islands in the Adriatic, Korčula deserves at least a couple of days during your island-hopping tour. Korčula Island offers a little bit of everything, making it ideal for families, couples or groups of differing ages. It's a food and wine lover's paradise and you can spend days tasting the local wines and olive oils.

LOPUD ISLAND

This island is best known for its soft, sandy beaches; something which is quite rare in Croatia. Pebble beaches dominate much of the Southern Croatian coastline and its surrounding islands but Lopud offers an utterly different alternative. For complete beach paradise with soft white sands, visit Lopud Island.

ŠIPAN ISLAND

Within the Elaphiti Islands group, Šipán (pronounced "Shee-pan") is the largest. It's the type of island which brings together old and new so you can expect a lively café and bar culture but one which is built on traditional values. For wine lovers and foodies, this is the island to visit.

WELCOME TO CROATIA

Croatia is without a doubt one of the most exciting holiday destinations of the moment. Croatia is a destination which has so much to offer including a fantastic choice of hotels for family holidays, city breaks and romantic getaways. It also comes with a rich history, spectacular coastlines, a diverse cuisine and as many islands as a self-confessed island lover could wish for. Whatever your holiday needs, you will not be left wanting after a holiday in Croatia.

HISTORY AND CULTURE

Formerly Yugoslavia, Croatia has close ties to its neighbouring countries, which together were once republics of the former country. Because of the country's unique location, wedged in between Central Europe and the Balkans, visitors will find an interesting mix when it comes to culture – and most definitely with food. With more than fourteen centuries of recorded Croatian history, Croatia is an ideal place for music, art, history and education.

CROATIAN CUISINE

The food in Croatia is heavily influenced by its neighbouring countries, not only by land but also some of its neighbours across the water. This gives Croatian cuisine a truly diverse taste. You'll find a distinctive difference between coastal and inland cuisine; with the coast being influenced by Greece, Italy and France and the inland being influenced by Hungarian, Austrian and even Turkish cooking. Visit Croatia and expect a big emphasis on pasta dishes, a lot of passion for freshly caught seafood, a varied use of herbs and spices depending on region, traditional stews and goulash dishes, and grilled meats.

THINGS TO SEE AND DO

Dubrovnik, in southern Croatia, is perhaps one of the more well-known cities in Croatia. Though it is popular with recent travellers, the city still very much retains its traditional and old world charm. Visit Dubrovnik for its famous Old City (including the spectacular 12th-17th Century old city walls which are considered to be one of the most important constructions of the Middle Ages), for the nearby beaches which boast crystal clear waters, great nightlife or for the amazing harbour-side restaurants serving up the finest seafood.

Whilst Dubrovnik is a mesmerizingly beautiful city, there is so much more to Croatia than this one ancient city. Explore Croatia's many islands including: Hvar - the liveliest of the islands, Lopud – best known for its soft sandy beaches, Mljet Island- the most naturally beautiful island that is covered with a National Park and Korčula – famous for its vineyards. This is naming just a few but the many islands each offer something unique and can be visited as part of a day trip or as part of a wider island hopping itinerary.

FAMILY ACTIVITIES

Croatia has developed a dazzling reputation for parties, festivals and island glamour. But for those who are travelling with children, there's also plenty to do and see. It may seem impossible to avoid the hundreds of festivals happening across the country but most of Croatia's festivals tend to be small, contained boutique events; so you can still enjoy a relaxing break even if there's a festival close by. Some of the best family destinations include: the large peninsula of Istria (neighbouring with Slovenia and Italy) which offers a diverse cultural experience, Krk Island which has a large number of family friendly beaches, and the city of Zadar which makes a safe and convenient base for island hopping.

INTRODUCING DUBROVNIK

There really is no debate over whether you should visit Dubrovnik during your time in Croatia. To us, Dubrovnik is essential in the education of Croatian life, food and culture. You can visit this city time and time again; the magic never seems to fade. From its striking Baroque architecture to the coastal views of the flawless Adriatic Sea, there are fewer places on earth quite as exciting and beautiful as this city.

WELCOME TO MONTENEGRO

The tremendous unspoilt beauty of Montenegro remains relatively unknown in the UK, however this only adds to the country's appeal as a spectacular holiday destination. The name 'Montenegro' translates to mean 'Black Mountain'. Whilst the origin of this name is still debated, it is widely thought to be a reference to Mount Lovćen and the dense forests that cover it. The name originates from Venetian dialect rather than Serbo-Croatian and shows the dominance of the Venetian Empire in the region's history. Montenegro lies on the west of the west coast of the Balkan Peninsula and boasts a pristine coastline along the South-Adriatic Sea.

HISTORY AND CULTURE

Whilst Montenegro can be considered a 'new country', the region has a long and diverse history that is closely linked with its Balkan neighbours and dates back thousands of years beginning with the first known settlers 'Illyrians' in 1,000 BC. The region that makes up present-day Montenegro has been under Roman, Slavic and Venetian rule and their influences in the architecture and cuisine remain strong. In recent history, Montenegro formed part of the Republic of Yugoslavia after World War 1. After the collapse of the Soviet Union and subsequently Yugoslavia, Montenegro formed a federation with Serbia from which Montenegro gained independence in 2006.

CUISINE

Montenegrin cuisine takes much inspiration from Italy and Italian flavours, in particular with regard to cured meats, bread baking, cheese and wine making. Prosciutto and cheese certainly play leading roles in Montenegrin cuisine. Influences from Turkey, Croatia and Serbia are also evident in Montenegrin cuisine. Specialities can vary depending on the region, with coastal areas incorporating more fresh fish and seafood and mainland regional cuisine focussing more on meats and cheese. Soups and stews also play a big role in this country's national cuisine. A 'Konoba' is a tavern-style restaurant where you will be able to try many of the traditional meals, sweets and drinks in the way that they should be served.

THINGS TO SEE AND DO

Montenegro is a real paradise for nature lovers and many of the noteworthy things to do here are nature related. No visit to Montenegro is complete without experiencing the beauty of Kotor and the stunning Kotor Bay. Kotor is a charming Venetian-esque town and a UNESCO World Heritage Site and Kotor Bay, with its crystal clear waters and surrounding mountains has been voted as one of the most beautiful bays in the world. Perast is another quaint town on the shores of Kotor Bay and from here you can take a boat trip to the small islets of St George and Our Lady of the Rock.

INTRODUCING BUDVA

Budva and the surrounding 'Budva Riviera' is by far the most popular tourist destination in Montenegro. Budva is a small coastal town with a population of about 14,000. It is well known for having some of the best beaches of the Adriatic coast, boasting 35 beaches across a 21km coastline with Mogren and Jaz beaches being arguably the most renowned. Budva is also known for its vibrant night life and of course its well preserved medieval walled 'Old Town' (Stari Grad). The town of Budva dates back about 2,500 years which makes it one of the oldest urban settlements on the Adriatic coast.

TERMS & CONDITIONS

Your contractual agreement is with Cyphon Travel Limited. It has been structured, in the interest of fair trading, to safeguard your holiday arrangements.

1. YOUR HOLIDAY CONTRACT

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our confirmation invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts.

2. YOUR FINANCIAL PROTECTION

We provide full financial protection for our package holidays, by way of our Air Travel Organiser's Licence number 0891. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

3. ABTA

We are a Member of ABTA, membership number V5573. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

4. YOUR HOLIDAY PRICE

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (i.e. our prices may change second by second to reflect ever changing airfares, hotel rates etc.) Therefore, our prices will be more accurate. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed.

When you make a booking you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise and it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit. Changes in transportation costs, including the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However there will be no change within 30 days of your departure.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

When you buy a flight-based holiday, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes, provided they refer to the same holiday season, but this may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

NOTE: Certain travel arrangements (e.g. Apex Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements.

6. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent on your behalf must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay the cancellation charges shown below.

NOTE: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

CANCELLATION CHARGES

Written Notification Period Prior to Departure	Amount Payable
MORE THAN 70 DAYS DEPOSIT ONLY	
70-57 DAYS	30% of holiday cost or deposit if greater
56 - 29 DAYS	50%
28 - 15 DAYS	70%
14 - 8 DAYS	90%
7 DAYS OR LESS	100% of holiday cost

The above charges may differ for group bookings as well as special promotional offers and you will be advised at time of booking.

7. IF WE CHANGE OR CANCEL YOUR HOLIDAY

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. **Changes** - If we make a major change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid. In some cases we will also pay compensation (see below). These options don't apply for minor changes. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change. Cancellation - We will not cancel your travel arrangements less than 10 weeks before your departure date, except for reasons of **force majeure** or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., the minimum number of clients required for a particular travel arrangement is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). In some cases we will pay compensation. **Compensation** - If we cancel or make a major change we will pay compensation as detailed below except where the major change or cancellation arises due to reasons of **force majeure**. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

If we Cancel or make a major change to your holiday Period before departure	Amount you will receive from us
MORE THAN (70) DAYS	NIL
(70 - 57) days	£5
(56 - 29) days	£10
(28 - 15) days	£15
(14 - 8) days	£20
7 days or less	£25

Force Majeure We will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport.

8. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our resort representative immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by sending an e-mail to our Customer Services Department at sales@cyphon.co.uk, giving your booking reference and all other relevant information. Please keep your letter concise and to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Please also see clause 3 above on ABTA.

9. OUR LIABILITY TO YOU

If the contract we have with you is not performed or is improperly performed by us or our suppliers we will pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However we will not be liable where any failure in the performance of the contract is due to you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and

b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.

You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at Cyphon Holidays, 246 Green Lanes, Palmers Green, London N13 5XT. Telephone 020 8340 7612. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in clause 7. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount.

NB this clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

10. PROMPT ASSISTANCE IN RESORT

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

11. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS

Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

12. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

13. DATA PROTECTION STATEMENT

Please be assured that we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs or immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies. If you travel outside the European Economic Area, controls on data protection may not be as strong as the legal requirements in this country. We will only pass your information on to persons responsible for your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.)

14. PASSENGER CONDUCT

We reserve the right to refuse to accept you as a customer, or to continue dealing with you if your behaviour is disruptive or affects other holidaymakers, or is threatening or abusive towards our staff or agents in the UK or in resort, on the telephone, in writing or in person. In such circumstances no refunds or compensation will be paid to you. Civil or criminal proceedings may be instigated.
