## OUR byDESIGN CONCEPT

As pioneers of "Tailor Made holidays", we can claim with some pride to have been tailoring holidays and weddings before the term was even coined by the travel industry. With Cyplon Holidays, you will experience an unrivalled level of choice and flexibility - always ensuring that your dream day is perfectly unique and completely individual to you and your desires.

### BE DIFFERENT FROM THE CROWD

Our byDESIGN concept aims not only to celebrate the beauty of individuality when selecting a wedding destination but also to combat the growing trend of mass market weddings abroad. A wedding is a once in a lifetime event - so make it special, but more importantly... special to you!

### NO RESTRICTIONS

Cyplon Holidays will not restrict you, unlike some other travel operators. byDESIGN not only allows you a great deal of flexibility when choosing your destination but we allow you to travel on ANY date, ANY day, ANY airline, from ANY airport for ANY duration. We also allow you to fine-tune smaller details of your travel such as VIP lounge passes and all the individual finishing touches for your wedding.

### FINDING THE PERFECT FIT

We strive to match you with the perfect resort. Use our Weddings byDESIGN guide on page 6 to easily decide which hotel suits you best. We list all the types of ceremonies which are possible at each of our hotels, making your holiday selection easier and less stressful.

### RELIGIOUS CEREMONIES

You are spoilt for choice with our wonderful church weddings, available either in our hotel Chapels or in one of the local churches nearby. Most chapels have beautifully decorated interiors, many with the local traditional icons and stain glass windows, thus enhancing your ceremony with a truly spiritual air. Please note that Catholic weddings must be preceded by a civil wedding in the local Town Hall.

### CIVIL CEREMONIES

The local Mayor or Marriage officer will conduct the ceremony in English and all the paperwork and the Marriage Certificate will be issued in English.

### TOWN HALL & OUTDOOR

A civil marriage takes place in the local Town Hall of your chosen Cyprus resort. Most are indoor ceremonies, but outdoor Town Hall weddings are also available, weather permitting, for example at The Yermasoyia Cultural Centre in Limassol, the Amphitheatre in Ayia Napa and Peyia Village, just outside Paphos.

### HOTEL GROUNDS AND BEACH

Several of our hotels have specially designated rooms and delightfully decorated outdoor 'wedding decks' and marquees, many of which are beside the beach overlooking the sea and where the ceremony can take place.

A religious blessing following your civil ceremony can also be arranged for you and in some cases the religious ceremony can take place in the grounds of your hotel. Please ask our Weddings team for more information.

### RENEWAL OF VOWS AND BLESSINGS

If you're already married, what better way to celebrate your long lasting love together than by re-affirming your commitment to one another and reliving your most special day by renewing your sacred wedding vows? A Renewal of Vows ceremony is similar to that of a wedding ceremony and we can make this as lavish or as intimate as you choose it to be.

### YACHT WEDDINGS

If it is a truly unique wedding experience that you're after, why not get married on board a luxury yacht and sail away into the sunset for your wedding reception? We can offer an extensive choice of luxury yachts that can cater for all the fun and entertainment that you could wish for if you were to have a wedding on land and more! This will no doubt be a wedding that you and your guests will never forget.

NOTE: All brides and grooms must visit the local Town Hall prior to the marriage with all relevant documentation, to register their intention to marry. For Greek Orthodox weddings please send an enquiry to [weddings@cyplon.co.uk](mailto:weddings@cyplon.co.uk)

For documentation requirements and legalities for all wedding types, please see page 41.

# WEDDING PLANNING

### BEFORE YOU LEAVE THE UK

Before you leave the UK we will send you an information pack with all the important details for your wedding. All documentation and legal requirements will be carefully explained and check lists will be provided. We will also send you further details on your hotel and provide you with example menus and the music and entertainment they can provide. As well as this we will help sort out the finer details of the wedding including colour themes, flowers, food and beverages etc.

### THE HASSLE-FREE GUEST LIST

Planning and keeping on top of your guest list is hard enough, let alone ensuring all your guests have adequate travel arrangements. Cyplon Weddings offers a hassle-free guest management service. Let us take care of all your guest's travel needs whether they want to stay in the same hotel as you or another local option. We will keep you updated of the progress and keep you well informed.

### WHEN YOU ARRIVE

The day after your arrival, once you have settled in at Resort, you will be met by one of our very own Weddings Specialists. From here on they will be your first point of call for anything related to your special day. They will proceed with final checks to ensure legal documents are complete and will make all necessary arrangements and appointments including registering with the local town halls or churches prior to your wedding day. In addition, our representative will liaise with the hotel's own wedding planner to ensure all bases are covered.

### YOUR WEDDING DAY

Our wedding coordinator will be on hand throughout the day to ensure that there are no hiccups and to keep things running smoothly. Even if you have some last minute changes, we will do everything in our power to make them happen. If you require, our coordinators can also stand in as a witness.

### AFTER-SALES SERVICE

The wedding day may be drawing to an end but why should the party stop there? We also offer honeymoon booking services, to any destination. We will also be on hand to help with any after-wedding arrangements, for example if you require us to get in contact with your photographer or video crew. Whatever it is, we will provide you a service to the very end.

# FINISHING TOUCHES

But fear not – here at Cyplon Weddings we can provide you with plenty of choice when it comes to selecting the perfect bouquet, buttonholes and of course, the centre pieces at your wedding reception. Either select from a long list of hotel options, or if you are not content with that we will put you in touch with other local suppliers (if permitted by hotel).

Perhaps you prefer to start the day with a relaxing massage in one of the hotel spas. Whatever you want to do on your big day and however you want to do it, we will be there to help you. Please call in store for advice on how best to take your wedding dress and groom's attire abroad – for the gents we can even provide a suit rental service abroad.

### BEVERAGES

Whether you are looking for the finest wines, local beers or even an old aged whisky, you won't be disappointed. If you have any specific drink requests this can be organised without any issue.

# FAQ'S

At Cyplon Holidays we celebrate the beauty of individuality – As a tailor-made specialist, and taking advantage of our by **DESIGN** Wedding Concept we can guide you towards a wedding that will match your own specific needs and desires.

**Q** We want to decide which resort and hotel to stay in and obtain a holiday cost, where shall we start?

**A** Call Cyplon Holidays or visit your local travel agent and ask for a brochure for the holiday costs i.e. hotel, flights and transfers (costs in this wedding brochure are purely for wedding packages).

**Q** Are weddings performed abroad legally recognised in the UK?

**A** Yes, the marriage certificate that will be issued to you is recognised as if it had been issued in the UK.

**Q** Is there a certain time of the year when we can get married?

**A** Weddings can take place at any time of the year. However, Town Halls are closed at the weekends and during Bank Holidays. Our wedding coordinator will be able to advise you on the best months to travel.

**Q** Does your holiday insurance cover the wedding?

**A** The basic holiday insurance as found in our main brochure does not, however we can provide extra cover for rings, gifts, photos and attire at an additional charge of £25 per person.

**Q** What about family and guests that wish to come, can you organise this?

**A** We will be more than happy to arrange the travel for your family and guests - if there is a large party travelling some hotels offer group discounts. Take advantage of our Hassle-free guest list - we will arrange all of your guests' travel arrangement and keep you informed of progress.

**Q** As we want to tailor make our wedding day, how do we book optional extras such as videos, photography, hairdressing, make-up etc?

**A** All you need to do is speak to our wedding coordinator who will give you the costing for whichever elements you wish to add. Should you wish to add something else, this can easily be arranged by your personal wedding coordinator and paid for locally.

**Q** How do we transport our wedding outfits?

**A** We recommend that wedding outfits are packed carefully in a hard shelled case, and are transported in the hold of the aircraft. Alternatively, they can be packed in a suitable box and taken on-board as part of your baggage allowance. Complimentary additional baggage allowance is not normally allowed although we can always request this from the relevant airline on your behalf.

**Q** Can we choose our own music for the ceremony?

**A** Yes, normally this can be arranged, as long as it is suitable.

**Q** Can the wedding date and time be confirmed before we depart?

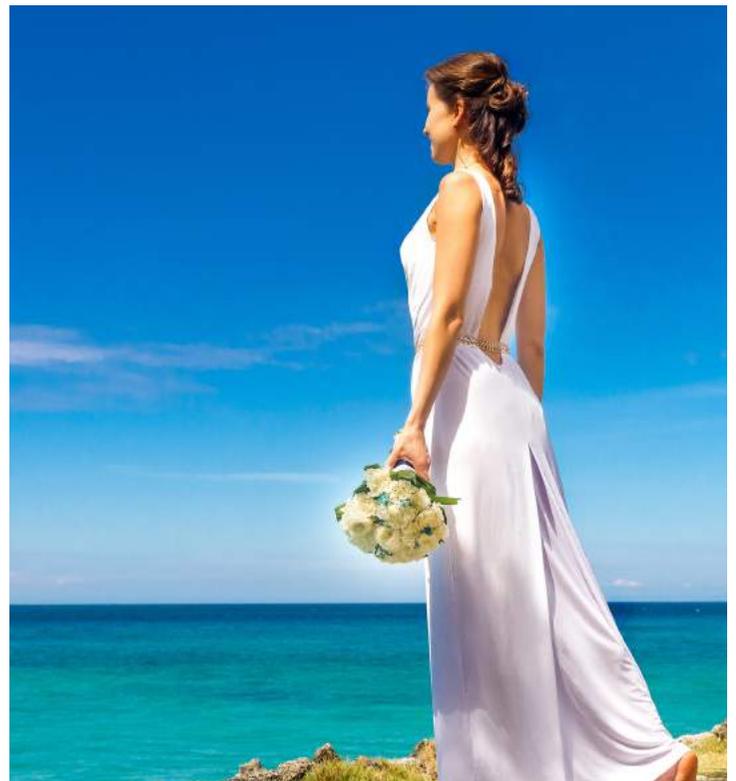

**A** Yes, your wedding date and time is confirmed at the time of booking. You do need to register your intent to marry in resort, however this rarely changes the arranged times.

# LEGALITIES-CYPRUS & GREECE WEDDINGS

You may rest assured that weddings in Cyprus are perfectly legal. By Cyprus law, your hotel must be located in the same town in which your marriage will take place. Both Bride and Groom must be in Cyprus for at least 5 working days before the wedding can take place. Cyplon Holidays therefore recommend booking a 2-week holiday so that the wedding can be easily accommodated during the second week of your stay.

## ALL WEDDINGS IN CYPRUS

The ceremony will be conducted in English and all paperwork and your Marriage Certificate will be issued in English. Two witnesses will be required in accordance with Cyprus law and we will be happy to provide these should the couple be alone in Cyprus.

Prior to the wedding day the couple visit the local Registry Office, with all relevant documents, to register their intention to marry.

Wedding Licence Fee €282, payable locally

## CIVIL WEDDINGS

These normally take place between 10am and 2pm, Monday to Friday (except Public Holidays), in the Town Hall local to your Cyprus resort and are conducted by the Mayor or Registrar.

In-hotel civil weddings can take place after and weekends at extra charge. The ceremony is very similar to that in the UK.

In-hotel registrar's fees vary between €130 - €712, payable locally.

## ANGLICAN WEDDINGS

A meeting with the minister will be arranged prior to your wedding day to discuss the service and any special requirements you may have. Persons of divorced status must produce original decree absolute. At least one of the couple must produce a Christening or Baptism certificate. The Anglican Church in Cyprus will require the name of your local church in the UK in order that they may inform them of your marriage, as a matter of diplomacy.

Church and Minister's fees are payable locally and vary between €200 - €650.

## BLESSINGS AND RENEWAL OF VOWS

For couples who would like a religious service following their civil ceremony, or for those wishing to renew their vows, all the above information for Anglican Weddings applies.

Church and Priests fees are payable locally and vary between €200 - €650.

It should be noted that in rare cases The Church might refuse to marry/bless couples that might be considered unsuitable for a church ceremony, in which case a civil ceremony will be arranged.

## CATHOLIC WEDDINGS

A civil ceremony, conducted by the local mayor or registrar, must precede the religious service for Catholic weddings, although this does not have to happen on the same day.

The Catholic couple must visit their local priest in the UK and inform him of their intention to marry in Cyprus, in order that documents in addition to those mentioned below can be prepared. These include certificates of Baptism for both Bride and Groom. Their local priest will then send these to the priest conducting the service in Cyprus.

Couples staying in Ayia Napa have their civil ceremony locally, but their religious service is held at the Terra Sancta Catholic Church in Larnaca.

Church and Priest's fees are payable locally and vary between between €200 - €650.
