## FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, Cyplon Holidays can meet your requirements - and we offer every Regional Airport flying to Cyprus & Greece. Pre-booked upgrade services are also available and we can even arrange an airport lounge-pass for you if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservation Staff.

## CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad - Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call - in case you need any additional assistance whilst on your vacation.

## PRIVATE TRANSFERS

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. Note: Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

## SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, please note, it is within our right to deem a price of our competitor "not sensible", e.g. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than its costs.

## FLUID PRICING AND USING THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. In this way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our reservations team on 020 8340 7612, or visit our website [www.cyplon.co.uk](http://www.cyplon.co.uk).

# TAILOR-MADE ISLAND HOPPING

## EXPLORE THE MAGIC OF THE GREEK ISLANDS

There are very few experiences in the world quite like ‘hopping’ around the Greek islands. Whilst the Greek islands share some general characteristics, each island has its own character, its own individuality, its own soul. With so many islands to choose from however, the possibilities with Greek island hopping are endless and simply knowing where to begin can be a nightmare. Here at Cyplon Holidays, we have the experience and expertise to make your island hopping experience as seamless and as enjoyable as possible, tailoring your journey to your exact wants and needs. On page 12 you will find a few notable islands, which can be combined with any of the resorts in Greece that are featured in this brochure, and are well worth a mention.

### CYCLADES ISLANDS

The ‘Cyclades Islands’ are located south-east of mainland Greece. The name of the island group refers to the islands that ‘circle’ the sacred island of Delos. Whilst Mykonos and Santorini are by far the most popular islands within this group, the lesser known island should not be ignored. Most of the Cycladic islands are peaks of mountainous land, now submerged under the Aegean Sea and the islands of Santorini and Milos are volcanic islands. Given the islands’ geology, most if the islands’ terrain can be hilly and therefore offer some incredible panoramic vistas. You can fly directly to Mykonos or Santorini where there are excellent connections to the other islands. Alternatively, from Athens there are internal flight-connections to the islands of Milos, Syros, Mykonos and Santorini.

### DODECANESE ISLANDS

The ‘Dodecanese Islands’ are situated in the south-easternmost region of the Aegean Sea. The most well known and popular islands within this group include Rhodes, Kos, Patmos and Leros, with Kalymnos, Symi and Astypalea offering wonderful island hopping opportunities on quieter islands. Given the islands’ proximity to Turkey, there is a history of Ottoman and Turkish and even Roman rule, with influences from this rich history clearly evident on the islands today. The most convenient way to explore the Dodecanese islands is to fly to Rhodes or Kos where you will be able to visit the other islands by ferry.

### IONIAN ISLANDS

Unlike most of Greece’s islands, the ‘Ionian Islands’ are located to the west of mainland Greece. As the Ionian islands do not offer regular ferry services between each other & as well as being inaccessible to Greece’s other islands by ferry, they are not known for island hopping, despite these islands being very popular in their own right. To explore the Ionian islands, it is best to fly to Corfu, Zakynthos or Kefalonia. There are fewer ferry links to the other Ionian islands with many routes being indirect.

### (ARGO) SARONIC ISLANDS

The Saronic Islands, sometimes referred to as the Argo-Saronic Islands, are named after the Saronic Gulf and Argolic Gulf, both of which are formed by mainland Greece, in which the islands are situated. The most popular island is Aegina while the island of Hydra is famed for its no motor vehicle policy and its beauty is famous for attracting and inspiring artists and poets. Given the islands’ proximities and convenience to the mainland and one of Athens’ main port, Piraeus, these islands are popular with holidaymakers staying on the mainland as well as mainland locals. Daily ferries from Athens make visiting the Saronic islands very easy.

# TAILOR-MADE ISLAND HOPPING

## DISCOVER SOME OF GREECE'S BEST HIDDEN GEMS

### AMORGOS ISLAND

This easternmost island of the Cyclades island group is only 30km end to end but reaches over 800m at its highest point, resulting in a spectacular landscape. Tourism to Amorgos focuses more on archaeology and activities such as hiking and rock climbing rather than beach-going, although there are beaches here too. The three main towns are Hora, Katapola and Aegiali.

### KALYMNOS ISLAND

Set between the islands of Kos & Leros, Kalymnos is populated by around 16,000 people & is considered to be one of the wealthiest Greek islands. Kalymnos is famous for its citrus fruits & is particularly well known for rock climbing & sponge diving. The best beach on the island is called Brosta & it should be noted that some beaches cannot be reached by road, only by boat.

### MILOS ISLAND

The beautiful island of Milos may not be as popular or as well known as its sister islands, Santorini and Mykonos, but that is all a part of its beauty. Milos is a secret gem within a sea of popular destinations and it's filled with charming little secrets that haven't been unravelled by mainstream tourism just yet.

### SAMOS ISLAND

In the North Aegean Sea is the seductive island of Samos. This gorgeous island offers a varied landscape of beaches, countryside, mountains and wetland; a truly diverse and interesting place for those who love nature. Visit one of the island's many vineyards to taste the famous local Samiotiko wine or go hiking to the top of Kerkis Volcano.

### SIFNOS ISLAND

Sifnos is located between the Serifos and Milos islands within the Cyclades cluster. It offers one of the dreamiest island landscapes and as a small island, it's a quiet retreat almost all year round. Don't miss the capital Apollonia for great food and wine, the hilltop town of Kastro for a great scenic drive, and the fishing village of Heronissos.

### ASTYPALAI A ISLAND

If you're an off the beaten path kind of traveller, you may find yourself falling head over heels for this quiet little island. As a part of the Dodecanese island group, Astypalaia Island has just over 1,300 inhabitants; a travel destination that is truly under the radar even for some of the most regular Greece holidaymakers. It's a place to find a little peace and quiet and some undisturbed romance.

### LESVOS ISLAND

Lesvos is the third largest of the Greek Islands and Mytilini is its dazzling capital and one of the most ancient Greek cities, boasting a mix of ancient monuments, neoclassical architecture, Byzantine temples and baroque church buildings. If it's your first time on Lesvos Island, be sure to try the food and drink specialities such as their locally produced olive oils and their ever-popular Ouzo.

### PATMOS ISLAND

Patmos is a small Greek island, part of the Dodecanese island cluster and is considered to be one of the most spiritual places in Greece. It's probably most famous for being the island of the Apocalypse, where St John the Divine's 'Book of Apocalypse' was written in the depths of a cave.

### SERIFOS ISLAND

In the Western Cyclades is the stunning island of Serifos, a place rich in history and steeped in interesting Greek mythology. Foodies and wine connoisseurs will appreciate that this small island keeps its traditions tight, especially when it comes to matters of the kitchen; so you'll eat and drink well wherever you go. Local specialities include their famous fennel pancakes, their delicious sun dried tomatoes and a selection of local sausage meats.

### SYROS ISLAND

Syros is a part of the Cyclades in the beautiful Aegean Sea - & it's the perfect blend of old & new, traditional & contemporary. Bringing together the classic beauty of traditional stone architecture & the island's countless churches & cathedrals together with a chic island culture & modern tourism, Syros is bursting with life & culture.

# WEDDINGS IN CYPRUS AND GREECE

## HONEYMOONS AND RENEWAL OF VOWS

A wedding abroad is quite simply a magical experience – the sun-kissed beaches and the crystal-clear Mediterranean Sea creating an idyllic setting for your ceremony, reception or honeymoon. You can be virtually guaranteed to have the warm sunshine on your special day and to create memories for a lifetime. Cyplon Weddings have been organising weddings, renewal of vows and civil ceremonies to Cyprus and Greece for over 40 years.

### RELIGIOUS CEREMONIES

You are spoilt for choice with our wonderful church weddings, available either in delightful chapels, conveniently situated in some of our hotels, or in the following local churches: Paphos - St Paul's Pillar, St Georges Chapel Limassol - St Barnabas Anglican Church, St Catherines' Catholic Church Larnaca - St Helena's Anglican Church, Terra Santa Catholic Church.

### RENEWAL OF VOWS

The Renewal of Vows in Cyprus is very popular for couples wishing to re-affirm their commitment to one another & the same procedure as that of church weddings is followed.

### EXCLUSIVE YACHT WEDDINGS

Have a truly memorable unique wedding on board a luxury yacht, then sail away into the sunset for an amazing sunset reception.

### FAMILY AND FRIENDS

16 guests – FREE Photography worth £230  
24 guests – FREE Wedding DVD worth £300

Guests do not have to stay in the same hotel as the bride and groom but must specify they are part of the wedding party when booking.

### CIVIL CEREMONIES

A civil marriage takes place in the local Town Hall of your chosen Cyprus resort. Most are indoor ceremonies but outdoor Town Hall weddings are available, weather permitting, at The Yermasoyia Cultural Centre in Limassol, the Amphitheatre in Ayia Napa and Peyia Village, just outside Paphos.

### OUTDOOR CIVIL CEREMONIES

Our specialist wedding hotels have imaginatively set up outdoor wedding decks or marquees in beautiful surroundings, many beside the beach overlooking the sea, for those couples wishing for an outdoor civil ceremony. A religious service in the grounds of your hotel, again with a beach side venue, may also be available following a civil marriage, dependant on your chosen resort. Please ask our weddings team for information.

# INTRODUCING AYIA NAPA

What was once a small fishing harbour surrounded by a few houses has fast become a popular resort, particularly with families and young people. Ayia Napa's shimmering clear blue waters and white sandy beaches provide an exceptional setting for beach lovers and the resort offers plenty of exciting activities for families. The town centre is a late-night draw for young clubbers and it can get rather lively. However, most Ayia Napa properties we offer in our brochure are situated well away from all the revelry and offer a relaxing holiday environment to those who desire it.

# WELCOME TO GREECE

**G**reece is a classic destination in every sense of the word. Classic in that its history, civilisation and mythology date back thousands of years with Greece being able to offer some of the world's most historically important sites. Classic in that Greece's views and imagery are renowned the world over, in particular the Cycladic white and blue architecture of the islands and the famous blazing orange sunsets. Classic in that the warmth and kindness you will receive from the locals is second to none and is akin to the hospitality of a bygone era.

## FAMILY ACTIVITIES

Greece has traditionally been, and still is, an ideal place to go on a family holiday. Here you will find everything that you and your family will need for that special time away together, including fantastic sandy beaches, quality hotels offering All Inclusive packages, many dedicated and quality kids clubs and facilities in the hotels, incredible historical sites that will invigorate your children's minds about ancient history and the wondrous Greek mythology. Most importantly this is all in a country where your family can feel safe and secure. Check out Cyplon's 'Family Treats' section of the 'Added Value' panel for some great children and single parent offers.

## GREEK CUISINE

Greek food shares much in common with cuisines from around the Mediterranean and also from the Middle East. Greece is blessed with some exceptional natural produce, including olives and olive oil, vegetables and herbs, cheeses and yoghurt, and the cuisine reflects this, relying on quality and natural products. Greek cuisine incorporates a wide variety of meats, fresh fish and vegetables so people with all types of eating requirements will be satisfied. A must try is a typical Greek 'Souvlaki' and 'Gyros', grilled meat wrapped in pita bread, 'Stifado' which is a meat stew, and freshly caught fish.

## DRINK

Being able to grow some of the world's best grapes allows Greece to produce some exceptional wines and they have been doing so for thousands of years, although the rest of the world has not quite yet discovered the quality of Greek wines. Other traditional alcoholic beverages native to Greece are 'Ouzo', an aniseed flavour aperitif that is often added to water, 'Retsina', a white wine with a truly distinct taste and 'Tsipouro', a spirit made from grape skins that is not for the faint hearted.

## WEATHER IN GREECE

The weather in Greece is typically Mediterranean - that is very hot and dry between April and September - Sunshine is almost never broken and it is extremely rare to see any rain during peak summer months. On the islands and coastal regions of the mainland, temperatures during July and August regularly reach 30°C and peak in the mid-30's. The "Meltemi" winds, sea breezes that will help cool you on these hot days, are a feature of the Greek islands and coastal regions due to its topography. Either side of July and August, temperatures are milder but still warm, averaging in the mid-20's. Mainland Greece, less influenced by the cooling winds, can be hotter during the summer months when temperatures can reach 40°C.

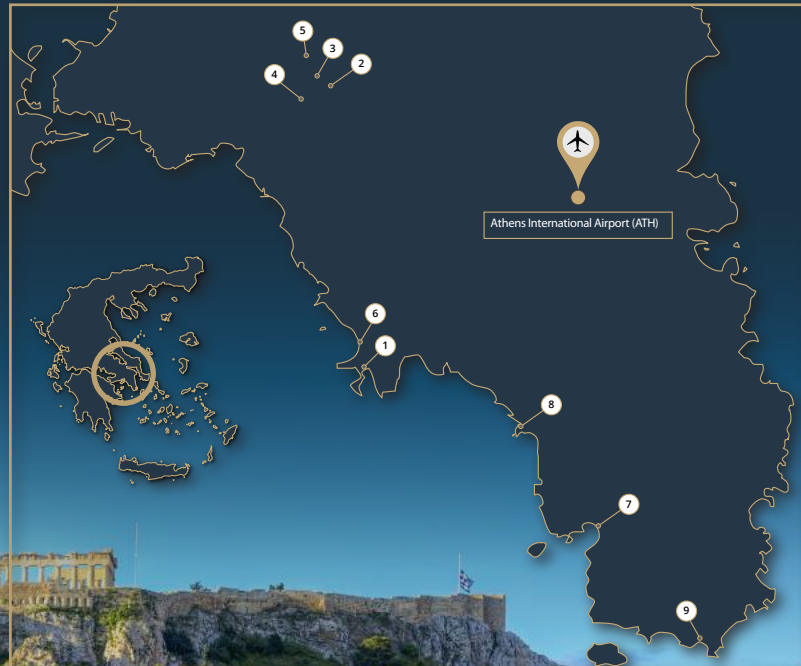

# INTRODUCING ATHENS & HER RIVIERA

**A**thens and Athenian Riviera: An eclectic blend of ancient and modern, Athens is fascinating, exciting and unique. Cultural sites and museums, scintillating shops and pavement cafés dotted amidst avenues lined with orange trees is what the city centre is all about. A short drive takes you to the scenic Attica coastline of the 'Athenian Riviera'. There are many museums and antiquities to behold, and stunning monuments, some from the 4th Century BC, including the magnificent Parthenon which stands regally over the city on the famous Acropolis. Athens enjoys a buzzing night life, with much to be found at the Plaka district - a sleepy village by day becoming a hive of activity by night!

These three smaller peninsulas are Kassandra, Sithonia and Athos. Halkidiki is best known for its mesmerising turquoise sea, glistening white and a backdrop of mountains that are covered with deep green Oak, Pine and Chestnut trees, colour combinations and imagery that belong on a postcard. There is more to Halkidiki however than sun, sea, sand and 5\* luxury resorts. Mt Athos is a UNESCO World Heritage Site and is considered by many to be one of the holiest places on earth, home to over 20 monasteries.

# TERMS & CONDITIONS

Your contractual agreement is with Cyplon Travel Limited. It has been structured, in the interest of fair trading, to safeguard your holiday arrangements.

## 1. YOUR HOLIDAY CONTRACT

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these booking conditions. A contract will exist as soon as we issue our confirmation invoice. This contract is made on the terms of these booking conditions, which are governed by English Law, and the jurisdiction of the English Courts.

## 2. YOUR FINANCIAL PROTECTION

We provide full financial protection for our package holidays, by way of our Air Travel Organiser's Licence number 0891. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, The Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

## 3. ABTA

We are a Member of ABTA, membership number V5573. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to [www.abta.com](http://www.abta.com) to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on [www.abta.com](http://www.abta.com).

## 4. YOUR HOLIDAY PRICE

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (i.e our prices may change second by second to reflect ever changing airfares, hotel rates etc). Therefore, our prices will be more accurate. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed.

When you make a booking you must pay a non-refundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional non-refundable deposit will be required for a Wedding or Cruise and it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure, full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit. Changes in transportation costs, including the cost of fuel, dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However there will be no change within 30 days of your departure.

We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1.00 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the invoice. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

When you buy a flight-based holiday, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by him on our behalf at all times.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

## 5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes, provided they refer to the same holiday season, but this may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person and any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible.

NOTE: Certain travel arrangements (e.g. Apex Tickets) may not be changeable after a reservation has been made and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under-occupancy or single room supplements.

## 6. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent on your behalf must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay the cancellation charges shown below.

NOTE: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

CANCELLATION CHARGES	
Written Notification Period	Amount Payable
Prior to Departure	
MORE THAN 70 DAYS DEPOSIT ONLY	
70-57 DAYS	30% of holiday cost or deposit if greater
56 - 29 DAYS	50% " "
28 - 15 DAYS	70% " "
14 - 8 DAYS	90% " "
7 DAYS OR LESS	100% of holiday cost

The above charges may differ for group bookings as well as special promotional offers and you will be advised at time of booking.

## 7. IF WE CHANGE OR CANCEL YOUR HOLIDAY

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. **Changes** - If we make a major change to your holiday, we will inform you or your travel agent as soon as reasonably possible if there is time before your departure. You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid. In some cases we will also pay compensation (see below). These options don't apply for minor changes. Examples of minor changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers. Please note that carriers such as airlines used in the brochure may be subject to change. **Cancellation** - We will not cancel your travel arrangements less than 10 weeks before your departure date, except for reasons of **force majeure** or failure by you to pay the final balance. We may cancel your holiday before this date if, e.g., the minimum number of clients required for a particular travel arrangement is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value). In some cases we will pay compensation. **Compensation** - If we cancel or make a major change we will pay compensation as detailed below except where the major change or cancellation arises due to reasons of **force majeure**. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

If we Cancel or make a major change to your holiday	
Period before departure	Amount you will receive
MORE THAN (70) DAYS	NIL
(70 - 57) days	£5
(56 - 29) days	£10
(28 - 15) days	£15
(14 - 8) days	£20
7 days or less	£25

**Force Majeure** We will not pay you compensation if we have to cancel or change your travel arrangements in any way because of unusual or unforeseeable circumstances beyond our control. These can include, for example, war, riot, industrial dispute, terrorist activity and its consequences, natural or nuclear disaster, fire, adverse weather conditions, epidemics and pandemics, unavoidable technical problems with transport.

## 8. IF YOU HAVE A COMPLAINT

If you have a problem during your holiday, please inform the relevant supplier (e.g. your hotelier) and our resort representative immediately who will endeavour to put things right. If your complaint is not resolved locally, please follow this up within 28 days of your return home by sending an e-mail to our Customer Services Department at [sales@cyplon.co.uk](mailto:sales@cyplon.co.uk), giving your booking reference and all other relevant information. Please keep your letter concise and to the point. It is strongly recommended that you communicate any complaint to the supplier of the services in question as well as to our representative without delay and complete a report form whilst in resort. If you fail to follow this simple procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract. Please also see clause 3 above on ABTA.

## 9. OUR LIABILITY TO YOU

If the contract we have with you is not performed or is improperly performed by us or our suppliers we will pay you appropriate compensation if this has affected the enjoyment of your travel arrangements. However we will not be liable where any failure in the performance of the contract is due to: you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the transportation for your travel arrangements. These terms are incorporated into this contract; and

b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of compensation that you can claim for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of compensation contained in these or any conventions.

You can ask for copies of the transport companies' contractual terms, or the international conventions, from our offices at Cyplon Holidays, Cyplon House, 561-563 Green Lanes, London N8 0RL, telephone 020 8340 7612. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in clause 7. If any payments to you are due from us, any payment made to you by the airline will be deducted from this amount.

NB this clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

## 10. PROMPT ASSISTANCE IN RESORT

If the contract we have with you is not performed or is improperly performed as a result of failures attributable to a third party unconnected with the provision of the services, or as a result of failures due to unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised, or an event which we or our suppliers, even with all due care, could not foresee or forestall, and you suffer an injury or other material loss, we will offer you such prompt assistance as is reasonable in the circumstances.

## 11. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS

Your specific passport and visa requirements, and other immigration requirements are your responsibility and you should confirm these with the relevant Embassies and/or Consulates. We do not accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements.

## 12. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour and not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

## 13. DATA PROTECTION STATEMENT

Please be assured that we have measures in place to protect the personal booking information held by us. This information will be passed on to the principal and to the relevant suppliers of your travel arrangements. The information may also be provided to public authorities such as customs or immigration if required by them, or as required by law. Certain information may also be passed on to security or credit checking companies. If you travel outside the European Economic Area, controls on data protection may not be as strong as the legal requirements in this country. We will only pass your information on to persons responsible for your travel arrangements. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary/religious requirements. (If we cannot pass this information to the relevant suppliers, whether in the EEA or not, we will be unable to provide your booking. In making this booking, you consent to this information being passed on to the relevant persons.)

## 14. PASSENGER CONDUCT

We reserve the right to refuse to accept you as a customer, or to continue dealing with you if your behaviour is disruptive or affects other holidaymakers, or is threatening or abusive towards our staff or agents in the UK or in resort, on the telephone, in writing or in person. In such circumstances no refunds or compensation will be paid to you. Civil or criminal proceedings may be instigated.

## 15. GENERAL HOLIDAY INFORMATION

The General Holiday Information detailed on the next page, forms part of our terms and conditions and must be read carefully before you book.

# TERMS & CONDITIONS

## GENERAL INFORMATION

### BROCHURE INFORMATION

#### 1. BROCHURE ACCURACY

This brochure is our responsibility, as your tour operator. It is not issued on behalf of, and does not commit the airlines mentioned herein or any airline whose services are used in the course of your travel arrangements.

#### 2. FACILITIES AND ACTIVITIES

During certain times particularly during the low season, which is reflected in the prices, some facilities & features advertised may not be operational or may be withdrawn at short notice, either for maintenance, lack of demand or adverse weather conditions. Similarly heated swimming pools, air-conditioning & activities mentioned may only be available at certain times of the year. We will endeavour to advise you if we become aware of a major change, but we cannot accept liability for any loss of an advertised amenity as these situations are beyond our direct control. Should the client have any specific request pertaining to the enjoyment of their holiday, they should seek clarification from ourselves in writing prior to booking.

#### 3. ACCOMMODATION

The licensing & classification of hotels in this brochure is made by the respective National Tourist Organisations. Standards can vary within the classifications, & this is usually reflected in the price. The accommodation featured in our brochure ranges from self-catering apartments to deluxe 5 star Hotels. The standard of comfort you can expect depends on the amount you are prepared to pay for your accommodation. When travelling abroad you must accept that things will be different to the UK. Local standards & regulations whether they be safety, accommodation or hygiene could be less or even more stringent than those you would expect in the UK. The monitoring & enforcement of such regulations is the responsibility of the respective authorities.

Note: a) Where a room is described as 'sea view', it means that your room is sea facing but not necessarily with an unobstructed view of the sea. Where a room is described as 'side sea view' then it means that the sea is partially visible with possible restrictions. b) Inland view rooms may overlook local roads and buildings. No guarantee can be given, therefore, of the view from these rooms. c) When reference is made to a 3rd/extra bed in any hotel/apartment, this invariably means a camp/sofa bed. The addition of extra beds may affect the spaciousness of the room. d) Like most countries and resorts with a restricted rainfall, water preservation is a priority. Water cuts can therefore be expected. Such cuts will normally be very short and you are asked to be tolerant and understanding and wherever possible endeavour to use water as economically as possible. Electricity cuts, although not frequent, can also occur, but again are usually for a short time. e) Kitchens in our self-catering apartments/ studios are adequately equipped with at least a fridge, cooking rings, saucepans, plates, cutlery and crockery etc. to cater for the numbers of persons in the party. They do not always include an oven. Due to continuous use of these items some may be showing signs of wear and tear or may be missing. Please refer any such cases to the reception desk of the particular apartments or inform your representative and these should be replaced. f) Accommodation is cleaned on a regular basis, although not necessarily daily for apartments, and daily for hotels unless otherwise stated in the description. Linens are changed 1-2 times per week. As maids have several other villa/ apartments to clean, the company would appreciate the client's co-operation with regards to cleaning times and in keeping accommodation reasonably clean and tidy. g) All hotels provide hand and bath towels whilst apartments usually only provide hand towels and clients are advised to take their own bath towels. Beach towels are only provided by top grade hotels. h) Village and Mountain accommodation can be in a remote quiet environment. Facilities such as shops and restaurants may be basic. i) All distances quoted in descriptions are 'approximate' j) Some hotels do have dress codes. Shorts and beachwear may not be acceptable in certain areas of the hotel, such as the main restaurant, and a jacket and tie may be required. k) The term 'bungalow' may relate to low-rise buildings and not necessarily 1-storey.

#### 4. SINGLE OCCUPANCY

Those of you who are single travellers or who wish to occupy accommodation with fewer people than the number shown on the price panel may feel that the cost per person of your holiday appears higher than it should be. The reason for this supplement is that our contract with the owners is based on a price per room while our holidays are sold per person, including flights and other elements. Therefore the per person price for a lone traveller includes the entire room cost. We do not make additional or excessive profits from these sales, the prices charged merely reflect the real cost to us. In some hotels there are rooms that are designed for single occupancy only. In this instance there will normally be a supplement but usually less than when a single person occupies a double room. These single rooms are often smaller and sometimes less well appointed. We do not know which room you will be given as your hotel will usually decide this shortly before you arrive.

#### 5. MEAL ARRANGEMENTS

Bed and Breakfast - Continental unless otherwise stated. A full English breakfast is available at most hotels but at an extra charge, payable locally. Half Board - Breakfast and either lunch or evening meal. Most hotels offer an evening meal as part of the Half Board basis. However some hotels will offer lunch, and some will give you the choice of lunch or dinner.

Full Board - Breakfast, lunch and evening meal

#### 4. ADDITIONAL CHARGES

Some facilities, unless otherwise stated, may incur extra local charges. These may include sunbeds, mattresses for sunbeds, towels & umbrellas, beach parasols, water sports, games & sports (including table tennis) & sports equipment, pool tables, mini-golf, tennis, squash, gym equipment, saunas & steam baths, beauty treatments, massage, safety deposit boxes, mini-bars, satellite & pay TV, fridges, entry to disco & night clubs, air-conditioning, portage, charges for infants' cots & food, laundry, hotel minibuses & charges for public & private beaches.

#### 5. NIGHT FLIGHTS

Occupancy of accommodation is usually from 2 pm one day until 12 noon the next day so please consider your times of departure before you book your nights at the resort. If you do not plan properly you may be forced to vacate the room and wait to catch your return flight. To avoid inconvenience you may need to book an extra night. This usually happens with night flights which have the lowest prices. So in spite of the saving, you may not find them convenient especially if you travel with children. On the other hand you get the holiday at the best price and often more daylight hours in the sun.

#### 6. RESORT DEVELOPMENT

It is impossible for us to foresee building or road works within the vicinity of your holiday accommodation/resort. Whenever we are aware of such work taking place and if we consider it a possibility that the enjoyment of your holiday may be affected, we will inform you accordingly. Please note that such work is necessary in any part of the world, and we ask you to be tolerant and understanding in this regard.

Liability for missing/damaged/delayed baggage while in the hands of air or sea carriers is governed by the Warsaw Convention, the Hague Protocol or the Athens Convention.

#### 4. HEALTH ADVICE

At the time of going to press vaccinations are not required for the destinations that we feature however as regulations frequently change it is advisable to consult your doctor at least 12 weeks prior to your departure. You may also wish to refer to government health advice for your destination at [fco.gov.uk/en/travel-and-living-abroad/travel-advice-by-country/](http://fco.gov.uk/en/travel-and-living-abroad/travel-advice-by-country/).

Village and Mountain holidays in general are not suitable for the elderly or disabled.

Airline regulations state that women 28 weeks or more into pregnancy, at the time of return travel, must have a medical certificate of fitness to travel. After 32 weeks, permission to fly will be refused. DVT-Deep Vein Thrombosis has been known to affect a minority of people during or after long haul flights, however the following guidelines can be followed by all flight passengers for their comfort and safety. The atmosphere in an aeroplane is dry, so it is important to drink plenty of water or juice before and during the flight, avoiding too much coffee and tea. Alcohol is dehydrating and is best avoided. DVT can be caused by restriction to the calf muscles, so avoid tight socks or any other constriction on lower legs, and avoid sleeping or sitting for long periods with your legs crossed at the ankle. Exercise whilst sitting from time to time by moving your feet in a circular motion and wriggling your toes. Stand on tiptoe several times, and walk up and down the aisle when possible. Taking an aspirin before your flight thins the blood, but do check with your doctor, as this is not suitable for conditions such as stomach ulcers. If you plan to scuba dive during your holiday, you should stop this activity at least 48 hours before travelling by air due to the drastic changes in air pressure which may result in the bends' or even in severe cases, paralysis. Mosquitoes, lizards, cockroaches, ants and other insects are endemic residents.

#### 5. TRAVEL GUIDELINES

Flight timings given are for guidance only & subject to change. All timings are based on the 24 hour clock. Please check your travel documents, which will normally be despatched to you 14 days prior to your date of travel, carefully as your flight tickets indicate your correct time of departure, & remember to check in 2 hours before departure. We regret that neither ourselves nor the airline can accept responsibility if you fail to check in on time & are refused entry on to the flight. If this situation arises, we shall not be responsible for meeting any costs/ expenses you incur as a result & nor will any refunds be made. However we will endeavour to assist in any way we can. For security reasons sharp metallic objects such as scissors, pocketknives & nail files are not permitted on board the aircraft & should be packed in luggage to be stowed. Hand baggage must be kept to a minimum & only small items such as handbags, duty free bags & camera cases are acceptable. Your airline ticket is subject to the conditions of carriage of the airline which may limit or exclude liability for certain events. These conditions are subject to International agreements between countries & can be made available for inspection, given reasonable notice, at our offices. Charter flights, whilst giving good value for money, in many cases offer less leg-room than that of scheduled flights, therefore some passengers may find it slightly less comfortable.
