Choice, variety and adventure... there's something for everyone.

Royal Caribbean International's fleet of ships all have their own unique features and onboard activities, but all share the same fun-filled, relaxed style of cruising that Royal Caribbean is famous for.

Rock-climbing walls, swimming pools, spas, kids clubs, great food and service are the norm on Royal Caribbean - so whether you want to join in or sit back and relax - the choice is yours! Dress up for a formal dinner in the restaurant or dress down for casual buffet style dining. Live music, theatre-style shows, cabaret and dancing will keep you entertained to the early hours.

There is a cruise for everyone on Royal Caribbean.

"Customers often ask my advice about tipping and service charges. I always pre-pay my tips when cruising with Royal Caribbean, I find it more convenient than paying them onboard."
