## AWARD WINNING

Cyplon Holidays has received many awards in its history since it was established in 1972. Most recently we were recognised by the UK travel industry at the Travel Trade Gazette (TTG) Trade Awards. We received the great honour of being named as the UK's "Specialist Operator of the Year" for 2018. In 2017, we were rewarded with the title of the UK's "Leading Tour Operator for Family Holidays" at the Travel Bulletin Star Awards. Similarly, we have been winners of the title "Leading Independent Tour Operator to the Mediterranean" in 2015, achieving this consecutively, having won the award in 2012, 2013 and 2014.

## WE ARE AITO MEMBERS

Cyplon Holidays is a proud member of the Association of Independent Tour Operators. AITO represents Britain's leading independent tour operators and demands high standards of quality and service. Cyplon Holidays abides by AITO's Code of Conduct and adheres to the AITO Quality Charter.

## FLIGHTS FROM REGIONAL AIRPORTS

Whether it is scheduled, no frills or chartered airlines that you wish to travel on, we can meet all of your requirements, as we can offer you all available flights from any Regional UK Airports. Pre-booked upgrade services are also available and we can even arrange an airport lounge-pass for you, if you wish to avoid the commotion and start your relaxation straight away. Speedy/Priority boarding and even in-flight meals (on no frills airlines) can also be arranged with our Reservations Staff.

## PRIVATE TRANSFERS

Do not fear- we won't put you on a bus full of 30-40 people! When you arrive in resort, travel in luxury in one of our private transfer cars or for larger groups a private minibus. N.B. Child and Baby Seats For Transfers- if required are at an extra cost and must be booked in advance.

## CYPLON REPRESENTATIVES

The Cyplon Family does not just reside in the UK, it extends abroad – Our Cyplon Representatives will always be on hand to meet you & make certain that all is to your satisfaction. Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call – in case you need any additional assistance whilst on your vacation.

## SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, it is within our right to deem a price of our competitor "not sensible", i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than costs.

## FLUID PRICING IN THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. This way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our Reservations Team on **020 8340 7612**, or visit our website [www.cyplon.co.uk](http://www.cyplon.co.uk).

## INFORMATION ON CYPRUS

### LOCATION

Cyprus is a large Mediterranean Island that is situated around 60 kilometres from the Turkish coast. It is a cultural, linguistic and physical crossroads, between Europe and Asia, meaning that it is a melting pot of different cultures and amazing sites. It is blessed with exceptional beaches, azure waters, imposing mountains, a host of underwater treasures and vast pine forests that contain a huge variety of flora and fauna. It is easy to reach and has two airports, one in Paphos and one in Larnaca.

### BEACH HOLIDAYS

Are sunbathing and relaxation your top priorities on holiday? Look no further than our Cyprus beach holidays. Cyprus offers arguably the best climate and setting for a perfect Mediterranean beach holiday, and we have hand picked resorts that will cater to your every desire. Cyplon would love to help you create an ideal, relaxing beach side holiday in Cyprus.

### HISTORY & CULTURE

With a rich and varied history, it is renowned since ancient times for its mineral wealth, natural beauty and strategic importance. In the Hellenistic period, it was the birthplace of Aphrodite, goddess of beauty and is the setting for many of the most famous stories involving her, including her first love affair with Adonis. However, Cyprus' strategic importance as a naval base in the Mediterranean also meant that it has had a turbulent history, filled with many conquests. Cyprus was then involved in many of the crucial events of ancient history, including being part of the Persian Empire and being involved in the wars of the successors, where Alexander the Great's generals battled to see who would succeed him. It remained a part of the Eastern Roman Empire for the next 1,000 years, until it was taken by Richard the Lionheart during the crusades, eventually falling to the powerful Ottoman Empire as it spread across Turkey. Cyprus remained a part of the Ottoman empire until it was awarded to Britain in 1860, finally gaining its independence in 1960. It is a place of myth and legend, immersed in history, which every visitor is sure to find alluring and fascinating.

### WEATHER IN CYPRUS

Thanks to its Mediterranean climate the summers are hot and dry (June to September), the winters mild (November to March), with relatively short Autumn and Spring periods, that are characterised by temperate weather (ranging between 15°C and 23°C). The summers are long and hot with average highs recorded in Nicosia of 37°C and slightly cooler temperatures, which range between 26-30°C in the coastal areas. The higher regions of the Troodos Mountain range have a slightly different climate, with colder winters and summer temperatures of 21°C. Cyprus has the ideal environment for those who want a great summer holiday, with little chance of rain and warm summer temperatures.

### CYPRIT CUISINE

Traditional Cypriot cuisine has been greatly influenced by the many cultures and traditions that it has been exposed to. Cypriot cuisine takes inspiration from a host of countries around the Mediterranean Sea resulting in a unique blend of tastes to suit every palate from the biggest meat-eaters to vegetarians. During your stay, we highly recommend taking a trip to one of the local tavernas to try either a meat or fish 'Meze'. These traditional Cypriot feasts usually include a large selection of up to 25 dishes with small helpings of varied foods, brought to the table as a progression of tastes and textures, all representing incredible value for money. Other musts include slow-cooked lamb "Kleftiko", a traditional potato/aubergine-based vegetable dish called Moussaka & for the vegetarians "Yemista" – vegetables stuffed generously with a wonderful mixture of rice, pine nuts, sultanas, garlic & parmesan cheese.

Discover the green heart of Cyprus !!!

The Troodos mountains captivate visitors with their scented forest magnificent monasteries and picturesque villages where likewise tranquility and serenity are aspects that can't stay unnoticed.

The main tourist area, and many archaeological sites, are to be found in Kato, or lower Paphos, whilst the old town known as Ktima sits further inland, high up on a rocky plateau. The surrounding area is countryside, rich in vegetation with banana plantations, citrus groves and vineyards, which lead inland to the gentle foothills of the Western Troodos Mountains. Paphos is listed as a UNESCO World Heritage site.

# LARNACA

Situated on the south-eastern coast, home of the main international airport, Larnaca is one of the oldest continually inhabited cities in the world. Its trademark, the famous mile-long promenade lined with palm trees, is now a pedestrianised zone, which makes this area's open-air cafes, tavernas and restaurants even more attractive. At one end of the promenade is a yacht marina and a port and about 200 yards inland lies the town's main commercial shopping centre, with many department stores and supermarkets. To the west of Larnaca is the beautiful salt lake, home to migratory flamingos and the Mosque of Hala Sultan Tekke, which is the fourth most important shrine to Muslims. Close to Larnaca is the village of Lefkara, famous for its lace and silverware, and the village of Konnos, famous for pottery.

# AYIA NAPA

What was once a small fishing harbour resort surrounded by a few houses has fast become a popular resort, particularly with families and young people. Ayia Napa's shimmering clear blue waters and white sandy beaches provide an exceptional setting for beach lovers, and the resort offers plenty of exciting activities for families. The town centre is a late-night draw for young clubbers, and it can get rather lively. However, most Ayia Napa properties we offer in our brochure are situated well away from all the revelry, and offer a relaxing holiday environment to those who desire it.

# TROODOS MOUNTAINS

With the trend towards activity holidays away from beach-based breaks, holidays in the Troodos Mountains in the heart of the island are becoming more popular. The majestic range of mountains stretches across the centre of Cyprus, reaching up to 1952 metres at the Chionistra, the highest point of Mount Olympus. Vineyards and olive groves cover some of the lower slopes and particularly at higher elevations there is a considerable amount of natural woodland. The pleasant summer temperatures offer a welcome change from the searing heat on the coast. The climate also suits a considerable variety of wildlife and many species of plants, birds and mammals.

# GREECE HOLIDAYS

Greece is a modern country, flowered in ancient history, with exquisite food, majestic beaches, a warm sunny climate, rich cultural heritage and a whole host of other things. This makes it, one of, if not the finest holiday destination in the entire world. On the mainland you will find Athens, the cradle of western civilization, birthplace of philosophy, theatre and democracy. The Peloponnese and Thessaloniki, are beautiful historic regions in their own right, home to ancient Sparta and Macedon, the kingdom of Alexander the Great, while in the islands that surround it, visitors will be greeted by yet more stunning history, gorgeous beaches, azure waters, unique flora and fauna and dramatic rock formations.

**- WHY WE LOVE GREECE -**

The cradle of western civilization, it combines an incredible history, with a host of magical destinations, to create unforgettable holiday experiences, that all visitors are bound to enjoy.

## INFORMATION ON GREECE

### LOCATION

Greece is a country located in the south east of Europe, consisting of thousands of islands dotted throughout the Aegean and Ionian seas. Its capital, Athens, is located on the mainland and is famous for its grand Acropolis, overlooking the city. The country has a population of around 11 million and uses the euro as its currency. Other notable places include the Peloponnesian region, which used to host ancient Sparta, large islands like Crete and Mykonos, along with popular tourist destinations like Santorini and Paros.

### WEATHER IN GREECE

Mainland Greece and the islands have a typical Mediterranean climate with long hot summers and mild winters. The best time to visit is between April and September, when the temperature is almost always above 20 degrees and rain is a rarity. It should be noted that the weather is very different in the mountainous areas than in the coastal areas and the south is generally hotter than the north.

### HISTORY & CULTURE

With one of the richest and most interesting histories, it is the birthplace of western literature, with the Homeric epics, Iliad and Odyssey; along with a rich tradition of ancient mythology including the Olympian gods like Zeus, Poseidon and Hades. Greece has given the world some of the greatest thinkers to have ever lived, including Herodotus (inventor of history), Hippocrates (inventor of medicine), Socrates, Plato, Aristotle and Pythagoras. Athens was originally a dictatorship, before a 5th century revolution brought about the world's first democracy. Sparta was created 100 years earlier by Lycurgus, who developed a unique warrior culture, where all boys were taken from their parents at the age of 8, to train as hoplites. The two Greek states came to the attention of Darius the Great. This led to the first Persian invasion, when the Athenians defeated Darius' army at the Battle of Marathon. Following the Peloponnesian war and the rule of Alexander the Great, the Macedonian Empire was eventually taken over by the Romans, passing to the Byzantines and then the Ottomans, before Greece rebelled and became its own state in 1821.

### GREEK CUISINE

Its rich food culture is undoubtedly one of the best in the entire world. Some of the most famous dishes, include mezes, which are usually accompanied by either ouzo or tsipouro, and are commonly described as the Greek equivalent of tapas, such as tzatziki, a garlic infused yoghurt with cucumber, 'Spanakopitakia', which are small spinach pies with crushed feta cheese and 'Dolmadakia', a blanket of vine leaves filled with rice, onions or minced beef. Feta is the most famous Greek cheese, which is usually crumbled over tomatoes, olives and cucumber to make Greek salad. Famous main dishes include, moussaka, which is made with aubergine, potatoes, mincemeat and a cheese sauce; gyros a kebab like dish served in pitta and a variety of delicious fish dishes. Greece is also famous for the large number of delicious local wines available, along with the spirits called raki, ouzo and tsipouro.

## GREEK ISLAND HOPPING

### CYCLADES ISLANDS

The 'Cyclades Islands' are located south-east of mainland Greece. The name of the island group refers to the islands that 'circle' the sacred island of Delos. Whilst Mykonos and Santorini are by far the most popular islands within this group, the lesser known islands should not be ignored. Most of the Cycladic islands are peaks of mountainous land, now submerged under the Aegean Sea and the islands of Santorini and Milos are volcanic islands. Given the islands' geology, most of the islands' terrain can be hilly and therefore offer some incredible panoramic vistas. You can fly directly to Mykonos or Santorini where there are excellent connections to the other islands. Alternatively, from Athens there are internal flight-connections to the islands of Milos, Syros, Mykonos and Santorini.

### DODECANESE ISLANDS

The 'Dodecanese Islands' are situated in the south-easternmost region of the Aegean Sea. The most well known and popular islands within this group include Rhodes, Kos, Patmos and Leros, with Kalymnos, Symi and Astypalea offering wonderful island hopping opportunities on quieter islands. Given the islands' proximity to Turkey, there is a history of Ottoman and Turkish and even Roman rule, with influences from this rich history clearly evident on the islands today. The most convenient way to explore the Dodecanese islands is to fly to Rhodes or Kos where you will be able to visit the other islands by ferry.

### IONIAN ISLANDS

Unlike most of Greece's islands, the 'Ionian Islands' are located to the west of mainland Greece. As the Ionian islands do not offer regular ferry services between each other, as well as being inaccessible to Greece's other islands by ferry, they are not known for island hopping, despite these islands being very popular in their own right. To explore the Ionian islands, it is best to fly to Corfu, Zakynthos or Kefalonia. There are fewer ferry links to the other Ionian islands with many routes being indirect.

### SARONIC ISLANDS (ARGO)

The Saronic Islands, sometimes referred to as the Argo-Saronic Islands, are named after the Saronic Gulf and Argolic Gulf, both of which are formed by mainland Greece, in which the islands are situated. The most popular island is Aegina while the island of Hydra is famed for its no motor vehicle policy & its beauty is famous for attracting & inspiring artists and poets. Given the islands' proximities & convenience to the mainland & one of Athens' main port, Piraeus, these islands are popular with holidaymakers staying on the mainland, as well as mainland locals. Daily ferries from Athens make visiting the Saronic islands very easy.

# SANTORINI

Santorini is unquestionably one of the most beautiful places in the entire world, combining beautiful old whitewashed houses, with gorgeous Caldera cliffs that frame stunning golden beaches. # TERMS & CONDITIONS

## 1. OUR DETAILS

Cyplon Travel LTD (trading as Cyplon Holidays), 246 Green Lanes, London, N13 5XT  
Telephone – 020 8340 7612 – E-mail – sales@cyplon.co.uk

## 2. YOUR HOLIDAY BOOKING

A booking will exist as soon as we issue our confirmation invoice. This booking is made on the terms of these booking conditions. When you make a booking, you guarantee that you have the authority to accept & do accept on behalf of your party the terms of these booking conditions.

## 3. PAYING FOR YOUR HOLIDAY

The prices shown in our brochure are for guidance only. We have adopted a completely fluid method of pricing our holidays (ie our prices may change second by second to reflect ever changing airfares, hotel rates etc.). Additionally, Special Offers are subject to availability and applicable dates, and are subject to change. You will be advised of the current price of the holiday that you wish to book before your contract is confirmed. When you make a booking, you must pay a nonrefundable deposit of £100 per person plus an agreed amount for flight seats purchased at time of booking. An additional nonrefundable deposit will be required for a Wedding or Cruise & it may differ for a group booking. The balance of the price of your travel arrangements must be paid at least 10 weeks before your departure date. If you are booking late i.e. within 10 weeks of departure full payment will be required. If the deposit and/or balance is not paid in time, we shall cancel your travel arrangements. If the balance is not paid in time we shall retain your deposit.

## 4. IF YOU CANCEL YOUR HOLIDAY

You, or any member of your party, may cancel your travel arrangements at any time. Written notification from the person who made the booking or your travel agent must be received at our offices. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us:	Cancellation Charge:
More than 70 days	Deposit only
70-57 days	30% of holiday cost or deposit if greater
56-29 days	50% of holiday cost or deposit if greater
28-15 days	70% of holiday cost or deposit if greater
14-8 days	90% of holiday cost or deposit if greater
7 days or less	100% of holiday cost.

The above charges may differ for group bookings as well as special promotional offers & you will be advised at time of booking. Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges via your travel insurance company. You can cancel your booking without paying cancellation charges if the performance of your package, or the carriage of passengers to your destination, is significantly affected by unavoidable & extraordinary circumstances. In such circumstances, we will arrange for your booking to be terminated & for you to receive a full refund. We will observe advice provided by the UK Foreign & Commonwealth Office.

## 5. IF YOU CHANGE YOUR BOOKING

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, for example your chosen departure date or accommodation, we will do our utmost to make these changes but it may not always be possible. Any request for changes to be made must be in writing from the person who made the booking or your travel agent. You will be asked to pay an administration charge of £25 per person, & any further cost we incur in making this alteration. You should be aware that these costs could increase the closer to the departure date that changes are made & you should contact us as soon as possible. Note: Certain travel arrangements may not be changeable after a reservation has been made & any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Furthermore if your booking changes because someone in your party cancels this may increase the overall cost of the holiday as it may be necessary to levy under- occupancy or single room supplements. You can transfer your booking to another person, who satisfies all the conditions that, apply to this booking, by giving us notice in writing as soon as possible & no later than 7 days before departure. Both you & the new traveller are responsible for paying all costs we incur in making the transfer.

## 6. IF WE CANCEL OR CHANGE YOUR BOOKING

**(a) Cancellation:** We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.  
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

**(b) Changes:** (1) – Changes to the price

We can change your holiday price after you've booked, only in certain circumstances. Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that

you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

(2) - Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the offer or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.  
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking  
The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Compensation From Us
More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, & this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable; or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability will also be limited in accordance with and/or in an identical manner to

a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; & b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be published at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you

under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent, (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.
