Generally we will aim to contact you at the beginning of your stay & if you would like to arrange a further meeting this is also possible. Here, we can provide you with advice & tips on your Resort & its surroundings. You will also be provided with an around-the-clock point of call – in case you need any additional assistance whilst on your vacation.

SENSIBLE PRICE MATCHING POLICY

In the unlikely event that you find a like-for-like holiday package cheaper than what we have quoted, we promise to do our utmost to match the price for you. However, it is within our right to deem a price of our competitor "not sensible", i.e. a price where we feel that our competitor either may have made a mistake in calculating their prices or indeed where we feel the competitor is pricing the holiday at lower than costs.

FLUID PRICING IN THIS BROCHURE

Cyplon Holidays adopts a completely fluid method of pricing for its holidays. In simple terms this means we don't fix the prices of our holidays from the outset and if any of the prices of our holiday elements, such as air fares or hotel rates, are reduced [as they do second by second] then you can expect to see a lower cost for your holiday. This way our prices will always be more accurate and therefore more competitive. Please note that whilst the prices we display in our brochure are prepared with the utmost care and attention, they are to be used for guideline purposes only. To obtain a detailed quotation of your holiday cost, kindly contact your local travel agent or call our Reservations Team on **020 8340 7612**, or visit our website www.cyplon.co.uk.

Forming the north-west shoulder of the African continent, Morocco is a melting pot of Berber, Arabian and European cultures and influences. This exotic blend gives Morocco a truly unique identity with nowhere in the world quite like it. The diversity found within Morocco is astonishing, with the ever bustling city of Marrakech, beach side towns of Agadir and Essaouira, the expansive Sahara desert and the indomitable and breathtakingly beautiful Atlas Mountains, not to mention other historical and cultural highlights including Fez, Casablanca and Rabat.

 A place of mystical magic, Morocco has that special something which just cannot be described by words – you have to try it!

INFORMATION ON MOROCCO

THINGS TO SEE & DO

At the top of the list on one of our holidays in Morocco are the souks of Marrakech and Rabat. Browse and haggle for masterful handiwork including leather items and colourful kilims, the popular geometric Berber rugs. If you'd rather people watch and window shop, enjoy a fresh orange juice or a sweet glass of mint tea in one of the local cafes and watch the world go by. Adventurous types can get the grime of the day scrubbed vigorously away in a traditional hammam, and those looking for a little more pampering can indulge in a relaxing aromatic rub down from the spa in their charming riad tucked away from the hustle and bustle. Sports enthusiasts will want to try kite boarding or windsurfing in beautiful Essaouira or diving off the coast of Agadir.

MOROCCAN CUISINE

Moroccan food is lightly exotic and often hearty. The cuisine takes full advantage of fresh African and Mediterranean produce as well as its Berber, Moorish and Arab influences. Local produce is combined elegantly with saffron-tinged couscous in tagines studded with cubes of braised lamb and flavoured with Ras el Hanout, a blend of the spice souk's best offerings. If you can get your hands on it while on one of our Morocco holidays, be sure to try pastille, a delicious and elaborate meat pie that piquantly combines sweet and salty flavours in crepe-like dough. While exploring the Medina, you will want to stop for a refreshing, sweet glass of mint tea. Be sure to pour the teapot as high as you dare for the ultimate bubbly brew.

HISTORY AND CULTURE

Moroccan culture is grounded with ancient Berber influence that spans at least 5000 years. As with many countries in the Mediterranean, Morocco experienced Phoenician, Carthaginian and Roman invaders throughout its early history prior to Muslim conquest in the late 7th century. Though intricate Arabic decorative features and architecture dominate the country, each of the countries and empires from Morocco's interwoven history exert palpable influence on Moroccan music, cuisine and culture. For example, French has remained Morocco's unofficial third language following its period as a French protectorate in the early 20th century.

MARRAKECH RIADS

A Riad is a traditional Moroccan house with a garden or courtyard at its centre. The Arabic term for the word "garden" is "Riad". The inward and centrally focussed design of these houses were to allow for greater privacy for the family. In Marrakech, many of the larger Riads and palatial homes of the rich and famous from the 'old world' have been converted into boutique hotels, giving guests a unique experience and a different kind of stay. The smaller Riad hotels in Marrakech are largely owner managed, resulting in a warm family atmosphere and traditional home made Moroccan meals being served.

TAILORMADE MOROCCO

Morocco is a wonderfully diverse country with its cities and regions all offering different experiences and sensations, yet all providing visitors with everlasting memories and gifts. Whilst you can go to any part of Morocco and have a fantastic holiday, our opinion is that to get the very best out of the country you should sample as many of its ingredients as possible. From magical Marrakech, the majestic Atlas Mountains, the coastal towns of Agadir and Essaouira, the capital city of Rabat, the infamous Casablanca to the culturally rich city of Fès, there is something to be gained from all parts of this country. Here at Cyplon Holidays we have the experience and expertise to create a tailor-made trip of Morocco based on your exact needs and wants. On page 11 you will find a selection of our most popular tailor-made itineraries, but the possibilities are endless.

COMBINE ANY OF OUR FANTASIC RESORTS

RABAT

Rabat is Morocco's capital city and political centre. Rabat occupies a position on the Atlantic coastline in the north of Morocco and is less busy than Morocco's other main cities, enjoying plenty of green spaces and a more laid-back vibe than nearby Casablanca. Rabat is also far less visited by tourists than Casablanca but this is in no way a reflection of the city and what it has to offer.

CASABLANCA

Casablanca is the largest city in Morocco and is one of Africa's leading cities, both economically and demographically with one of the leading financial centres on the continent. There is so much more to Casablanca than a classic eponymous film starring Humphrey Bogart. This former French colonial post is the most cosmopolitan and Westernised city in Morocco.

OUALIDIA

A tranquil coastal village in the west of Morocco, Oualidia sits behind a beautiful natural lagoon giving rise to a stunning landscape. The geography of Oualidia makes it a breeding ground for oysters hence making this village Morocco's 'oyster capital'. Oualidia is a peaceful retreat for visitors to enjoy natural beauty and nature-based activities.

ESSAOUIRA

Essaouira is a small but up and coming tourist destination in Morocco. This is a perfect example of a late 18th century fortified town. Originally a small fishing village, Essaouira retains its fishing heritage and you can witness the spectacle of the fishing boats coming in to harbour at sunset, brimming with fish.

MARRAKECH

One of the most captivating cities not only in North Africa, but throughout the world, Marrakech lies close to the foot of the Majestic Atlas Mountains and just a few hours away from the Sahara desert.

ATLAS MOUNTAINS

The High Atlas Mountains provide the perfect escape from the heat of Morocco and offer something truly unique to the discerning traveller. Experience fresh mountain air, stunning views and a more peaceful way of life in this majestic mountain range.

TANGIER

Located on Morocco's most northern tip and guarding the Strait of Gibraltar, Tangier is a port city that has been an important gateway between Africa and Europe for thousands of years. Once a revered international city, Tangier has gone through a renaissance as of late and through much investment is on its way to being restored to its former glory.

TAMOUDA BAY

Tamouda Bay is an untouched, unspoilt coastal area in the north-east of Morocco. This beautiful coastal location is around 80km from Tangier and plays host to the 5-star luxury hotel 'Banyan Tree Tamouda Bay' which features a world-renowned spa.

FÈS

Once Morocco's capital city, Fès is an imperial city with a rich tradition of producing and inspiring artists, culinary masters and scholars. It is no wonder that Fès is the home of the oldest, continually running university in the world, the University of Al-Karaouine. These influences of old can still be felt today with stunning architecture found throughout the city and arguably some of the best cuisines in the world.

AGADIR

Agadir, an ancient city was completely destroyed in an earthquake in 1960 and rebuilt 2km further south. It is located at the shores of the Atlantic Ocean, close to the Anti Atlas Mountains, and is the largest coastal resort in Morocco.

THE REST OF MOROCCO

Overleaf you will find a brief description of other cities and resorts which are featured within this brochure. Whilst being less well known as tourist destinations than the cities and regions featured so far in this brochure, these places have so much to offer in their own right. Morocco's capital city of Rabat, the Imperial city of Fès, cosmopolitan Casablanca and the eclectic city of Tangier are all diverse and fascinating cities with plenty of hidden gems to discover. Oualidia and Tamouda Bay are quiet unspoilt coastal destinations boasting real natural beauty. Add culture, history and natural beauty into your Morocco journey by incorporating any of these destinations into your plans. We can guarantee that you will not regret it.

“ **- WHY WE LOVE MOROCCO -**
By visiting the Morocco's less "touristy" cities and towns, you get an insight into the real nature of this magical country and its wonderful people. ”

RESORTS IN MOROCCO

CASABLANCA
Casablanca is the largest city in Morocco and is one of Africa's leading cities, both economically and demographically with one of the leading financial centres on the continent. There is so much more to Casablanca than a classic eponymous film starring Humphrey Bogart. This former French colonial post is the most cosmopolitan and Westernised city in Morocco.

RABAT
Rabat is Morocco's capital city and political centre. Rabat occupies a position on the Atlantic coastline in the north of Morocco and is less busy than Morocco's other main cities, enjoying plenty of green spaces and a more laid-back vibe than nearby Casablanca. Rabat is also far less visited by tourists than Casablanca but this is in no way a reflection of the city and what it has to offer.

FÈS
Once Morocco's capital city, Fès is an imperial city with a rich tradition of producing and inspiring artists, culinary masters and scholars. It is no wonder that Fès is the home of the oldest, continually running university in the world, the University of Al-Karaouine. These influences of old can still be felt today with stunning architecture found throughout the city and arguably some of the best cuisines in the world.

OUALIDIA
A tranquil coastal village in the west of Morocco, Oualidia sits behind a beautiful natural lagoon giving rise to a stunning landscape. The geography of Oualidia makes it a breeding ground for oysters hence making this village Morocco's 'oyster capital'. Oualidia is a peaceful retreat for visitors to enjoy natural beauty and nature-based activities.

TANGIER
Located on Morocco's most northern tip and guarding the Strait of Gibraltar, Tangier is a port city that has been an important gateway between Africa and Europe for thousands of years. Once a revered international city, Tangier has gone through a renaissance as of late and through much investment is on its way to being restored to its former glory.

TAMOUDA BAY
Tamouda Bay is an untouched, unspoilt coastal area in the north-east of Morocco. This beautiful coastal location is around 80km from Tangier and plays host to the 5-star luxury hotel 'Banyan Tree Tamouda Bay' which features a world-renowned spa.

INFORMATION ON EGYPT

THINGS TO SEE & DO

There is no limit to the number of fascinating places and world famous monuments to see in Egypt. At the top of the list are the pyramids of Giza and the Sphinx. The scale and stature of these man-made marvels never ceases to amaze. Visit Karnak to pore over the intricate hieroglyphs from one of mankind's earliest written languages carved along the circumference of 134 massive columns. The tombs and chambers in the Valley of the Kings are also decorated with intricate runes that indicate the somewhat-macabre funerary rituals of the time. The Egyptian Museum and its Royal Mummy Room is a must-see for those visiting Cairo.

EGYPTIAN CUISINE

Egyptian cuisine is the delicious result of their rich cultural history, bringing together an array of spices and influences from Europe, the Middle East and Africa. Travellers with a large sweet tooth will want to try a steaming cup of shai tea and might want to pick up a bit of halawa to munch on while exploring the souks. Halawa is a sweet made from sesame paste that is common throughout many countries in the region, and it is often infused with other nuts or seeds. If you happen to be on one of our Egypt holidays during a festival and are feeling particularly famished, try the Nubian dish fatta.

DIVING

It's hard to find a better place to dive than the Red Sea. Add to that the region's all year round sunny climate, high quality accommodation and array of activities on dry land and in the water and you can see why divers and tourists alike flock here year after year. The friendly locals are always ready to extend a warm welcome, and for UK divers, all this is a mere 5 hour flight away. Easily accessible dive sites, excellent underwater visibility and the calm waters available in parts of the region make ideal conditions for learning to dive, while qualified divers will find plenty of excitement on the more challenging sites such as the SS Thistlegorm wreck and the Ras Mohammed national park.

HISTORY

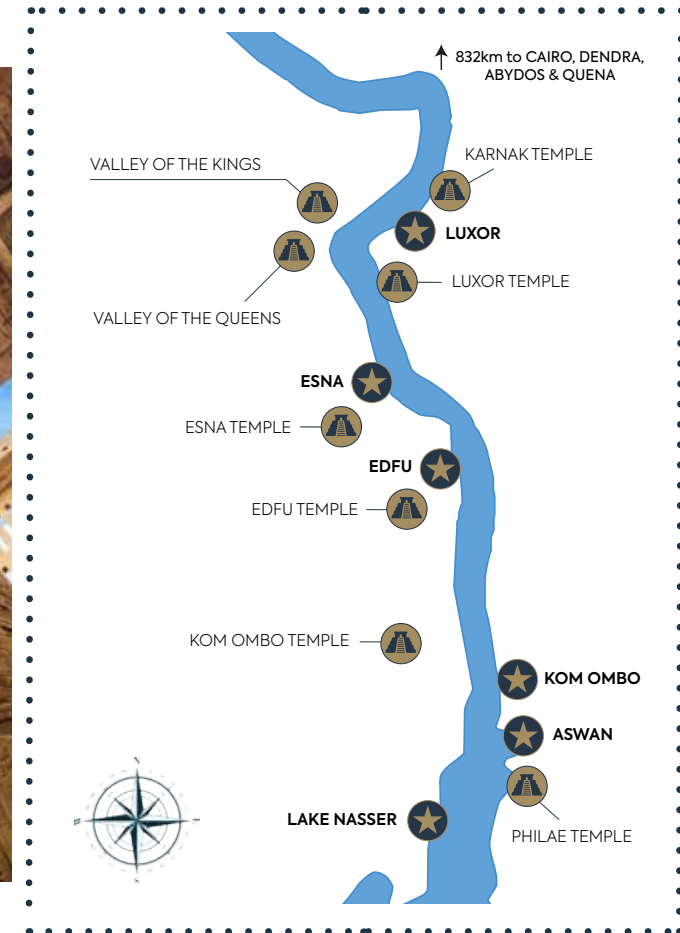

Egypt has a rich and tumultuous history with records dating back to about 3150 BC at the beginning of one of the greatest ancient civilisations in the world. Ancient Egypt stretched along the fertile Nile Valley and delta, and the great thinkers of the day invented many objects and techniques that we now take for granted including the door lock, one of the earliest forms of paper and of course construction techniques such as those used to create the colossal pyramids. In the many centuries between these wondrous creations and modern day, Egypt has experienced a whirlwind of dynasties, conquerors and cultural influences.

Diversity is what has made Egypt such a popular destination for so many different types of travellers for so many years. Enjoy the buzz of Cairo and visit the Great Pyramids of Giza, stay by the River Nile in Luxor and visit some of the most fascinating ancient temples and tombs in the world and enjoy the glorious beaches in the Red Sea resorts of El Gouna, Soma Bay, Hurghada and Sahl Hasheesh where sun, sand, sea and water sports take priority over everything.

“ **- WHY WE LOVE EGYPT -**
Egypt's Red Sea resorts give you the chance to enjoy amazing beaches & incredible diving sites while the more classical resorts of Cairo & Luxor take you on an incredible journey through time. ”

RESORTS IN EGYPT

LUXOR

No trip to Luxor would be complete without visiting the two most famous temples, located alongside the Nile. The awe-inspiring Temple of Karnak is one of the largest temple complexes still in existence, while the smaller Luxor Temple is home to many impressive monuments. On the west bank of the Nile, the Valley of the Kings is dotted with tombs of Pharaohs, including that of Tutankhamen.

CAIRO

The bustling city of Cairo is a feast for the senses; a myriad of sights, sounds and smells where the ancient legacy of Egypt collides with modern life head on. Home to a wealth of iconic historical sites including the awe-inspiring Pyramids of Giza and the Sphinx, as well as temples, tombs, churches, mosques and museums, Cairo is a great place to start your Egyptian journey of discovery.

SOMA BAY, RED SEA

Soma Bay is situated on a peninsula surrounded on 3 sides by clear waters and sandy beaches. It was purpose built for all inclusive holidays, and is therefore a real hotspot for family holidays. Soma Bay can only be reached via a 7km long private road, therefore don't be surprised to find millionaires' yachts in the ports, as well as luxury boutiques.

EL GOUNA, RED SEA

El Gouna is a beach front resort town built on a series of islands and lagoons on the Red Sea coast. The resort offers a high-end experience with excellent accommodations and sophisticated nightlife. The sun is always shining in El Gouna with few rain drops every six years. But after it rains, desert colours spring to life with the most stunning flowers in the desert.

HURGHADA, RED SEA

Hurghada once was just a small fishing village, but in modern times it has blossomed into what we now call the Red Sea Riviera. With a wide variety of shops, vibrant bars and stylish clubs – you will be spoilt for choice! Divers from all around the world come to Hurghada and who could blame them: there are excellent dive packages, great food served on the boats, and friendly staff.

SAHL HASHEESH, RED SEA

Sahl Hasheesh bay is surrounded by the mountains from the west and the clear waters from the east, and is an ideal holiday destination on the Egyptian Red Sea Coast. Sahl Hasheesh is a purpose-built and fully integrated luxurious resort. It's a home to brand new hotels, glorious gardens and private hotel beaches with golden sand.

(a) Cancellation: We reserve the right to cancel your booking. We will not cancel less than 10 weeks before your departure date, except for unavoidable & extraordinary circumstances, or failure by you to pay the final balance. Unavoidable & extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

In the event a refund is paid to you, we will:

1. Provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. Pay compensation as detailed below except where the cancellation is due to unavoidable & extraordinary circumstances (see definition above).

(b) Changes: (1) – Changes to the price

We can change your holiday price after you've booked, only in certain circumstances: Changes in transportation costs including the cost of fuel or other power sources, the level of taxes or fees imposed by third parties including tourist taxes, landing taxes or embarkation or disembarkation fees at ports & airports or exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no change within 20 days of your departure. We will absorb, & you will not be charged for, any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums & any amendment charges. You will be charged for the amount over & above that, plus an administration charge of £100 per person together with an amount to cover agent's commission. If this results in an increase equivalent to more than 10% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling & receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel: 1) you must do so within 14 days from the invoice 2) We will provide a refund of insurance premiums paid to us if you can show that

you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the cost changes mentioned above, then any refund due will be paid to you. We will deduct from this refund our administrative expenses incurred. Please note that travel arrangements are not always purchased in local currency & some apparent changes have no impact on the price of your travel due to contractual & other protection in place.

In the unlikely event of a genuine costing error caused by either our reservations team or in house booking system, or appearing on your confirmation invoice, we reserve the right to amend accordingly. Similarly, we undertake to refund any overcharge caused by such an error.

- (2) - Changes other than the price

It is a term of your booking that we are able to make changes to any aspect of your booking. If the change is insignificant, we will ensure that you are notified about it. Examples of insignificant changes include alteration of your outward/return flights by less than 12 hours, changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers.

If we are constrained by circumstances beyond our control to alter significantly any of the main characteristics of the travel services that make up your package you will have the rights set out below.

• We will contact you or your travel agent & you will have the choice of accepting the change or having a refund of all monies paid. You can also accept an alternative holiday, where we offer one (we will refund any price difference if the alternative is of a lower value). We will tell you the procedure for making your choice. Please read any notification of changes carefully & respond promptly as if you do not respond to us within the timescale given your booking may be cancelled.

• If you choose to accept a refund:

1. We will provide a full refund of your travel insurance premiums if you paid them to us & can show that you are unable to transfer or reuse your policy.
2. We will pay compensation as detailed below except where the significant change is due to unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

(c) Compensation if we cancel or make a major change to your booking

The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

---	----------------------

More than 70 days	NIL
70-57 days	£5
56-29 days	£10
28-15 days	£15
14-8 days	£20
7 days or less	£25

8. OUR LIABILITY TO YOU

You must inform us without undue delay of any failure to perform or improper performance of the travel services included in this package. If any of the travel services included in your package are not performed in accordance with the contract, or are improperly performed, by us or the travel service suppliers, & this has affected the enjoyment of your travel arrangements, you may be entitled to an appropriate price reduction or compensation or both. We will not be liable where any failure to perform or improper performance of the travel services is due to: you or another member of your party; or a third party unconnected with the provision of the travel services in the package & is unforeseeable or unavoidable; or unavoidable & extraordinary circumstances, which means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of two times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to

- a) The contractual terms of the companies that provide the travel services that make up your package. These terms are incorporated into this booking; &
- b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail & the Paris Convention in respect of the provision of accommodation, which limit the amount of & conditions under which compensation can be claimed for death, injury, delay to passengers & loss, damage & delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices at Cyplon Holidays, 246 Green Lanes, London N13 5XT or sales@cyplon.co.uk. Under EU law (Regulation 261/2004) you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be publicised at EU airports & available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these booking conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. NB this entire clause does not apply to any separate contracts that you may enter into for excursions or activities whilst on holiday.

9. PROTECTING YOUR MONEY

We provide full financial protection for our package holidays.

1. For flight-based holidays this is through our Air Travel Organiser's Licence number 0891 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you & who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations & you agree to pay any money outstanding to be paid by you

under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent, (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

2. When you buy a package holiday that doesn't include a flight, protection is provided by way of a bond held by ABTA.

14. EXCURSIONS

Excursions or other tours that you may choose to book or pay for whilst you are on holiday are not part of your package holiday provided by us. For any excursion or other tour that you book, your contract will be with the operator of the excursion or tour & not with us. We are not responsible for the provision of the excursion or tour or for anything that happens during the course of its provision by the operator.

15. TRAVEL AGENTS

All monies you pay to the travel agent are held by him on behalf & for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by him, is & continues to be held on behalf of & for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.
